### Ride Metro-North to the Hudson Valley for Restaurant Week, October 29 – November 11

#### *More Than Half of Over 200 Participating Restaurants Within Easy Reach From Select Stations*

Let Metro-North help you satisfy your craving and indulge in some of the best cuisine that the Hudson Valley has to offer. Hudson Valley Restaurant Week – the belt-busting celebration of some of the region's best cuisine – runs from October 29 – November 11, and more than half of over 200 participating restaurants are within walking distance or a quick cab ride from Metro-North stations. Go from train to table, and experience a top-notch dining experience at just a fraction of the normal price.

The Hudson Valley has grown into New York's premier culinary destination. Hudson Valley Restaurant Week offers deeply discounted three-course prix-fixe lunches at \$22.95 and dinners at \$32.95. The event highlights the region's farms, wineries, distilleries and other artisanal producers and purveyors, with the majority of participating chefs and restaurateurs using locally-sourced ingredients.

Hudson Valley Restaurant Week connects the region's leading artisanal producers and purveyors with chefs, restaurants and the leading business influencers who make up the local food and drink industry. Spanning 114 miles across seven New York State counties, it's geographically one of the largest restaurant week events in the nation. With Metro-North's Ride2Drive program, customers who join Zipcar, have the option of accessing a vehicle at select stations to explore any of the participating restaurants.

Diners don't have to worry about passes, tickets or coupons. Simply chose from a list of available restaurants at [www.HudsonValleyRestaurantWeek.com](http://www.HudsonValleyRestaurantWeek.com). Then make a reservation at your restaurant of choice and ride Metro-North to the closest station. Customers may call restaurants to get directions from stations.
