### LIRR to Renew 13 Railroad Crossings and Perform Tie Replacement Work on Montauk Branch

#### *Buses to Substitute For Portions of Travel on Six Midday Trains Between Patchogue and Montauk From February 26 to May 18*

Long Island Rail Road crews will work to replace wooden railroad ties on the Montauk Branch between Patchogue and Speonk on weekdays, Mondays through Fridays, from February 26 to May 18, 2018. This work is being performed as part of the LIRR's 2018 Annual Track Program, an ongoing initiative to renew our track infrastructure, an imperative effort to maintain and improve safety and on-time performance.

Buses will replace trains between Patchogue and Montauk, as this section of the Montauk Branch will be out of service each weekday from 8:00 a.m. to 5 p.m. during this timeframe, to allow for the work to take place.

Coinciding with this work, new concrete railroad crossings will be installed at 13 Montauk Branch crossings during the months of March, April and May, on weekdays from 5 a.m. to 9 p.m. Each crossing will be closed to vehicular traffic for at least one day. While the work is in progress, MTA Police will assist with crossing closure and traffic detours. Temporary paving will be installed and each crossing will be permanently repaved at a later date.

#### Crossings to be renewed:

- East Hampton: Wainscott NW Road, King Street, Osborne Lane (Expected late March)
- Patchogue: Bay Avenue, Grove Avenue, Conklin Avenue, Pine Neck Avenue (Expected late April)
- Bellport: Arthur Avenue (Date TBD), South Country Road (Expected May)
- Center Moriches: Chichester Avenue, Railroad Avenue, Pine Street, Locust Avenue (Expected May)
