Subway Service Details for St Patrick's Day on Saturday, Mar. 17

These weekend service changes are part of the [MTA Subway Action Plan](#), the Enhanced Station Initiative in [Queens](#) and ongoing maintenance, repair and upgrade work on the MTA New York City Transit subway system. These programs maintain and upgrade track, signal, station and other infrastructure in order to continue to provide MTA customers with safe and reliable service. More information on the 2015-2019 Capital Program is available [here](#).

This weekend, work crews will be dispersed throughout the entire subway system to perform a variety of critical tasks in the areas of track replacement and maintenance, signal modernization, station enhancements, electrical upgrades and communication improvements. All of this work is aligned with the MTA Subway Action Plan, a comprehensive plan to stabilize and modernize the subway system by attacking the key drivers of 79 percent of delay-causing major incidents and strategically targeting additional personnel and equipment to focus on critical parts of the system.

The [Weekender](#) is a digital guide to understanding planned service changes in effect for system maintenance and construction, and makes it easy for customers to visualize exactly how weekend work will affect subway service. The Weekender is accessible through the [MTA website](#) by clicking "The Weekender" tab within the Service Status Menu.

The Weekender is also available as a free app for iPhone and Android devices on the [MTA website here](#). This app shares the same features as the desktop version, including a subway diagram that displays the service to be provided each weekend, and all service changes. Users can pinch or expand the map to multiple zoom levels, and tap to choose one of three ways to view service diversions: Service by Line, Service by Borough and Service by Station.

[TripPlanner+](#) provides travel information that takes weekend service diversions into account. In addition, customers can receive customized subway diversion emails by signing up [here](#). Customers who rely on these lines should allow for additional travel time.

St Patrick's Day Parade

From 11 a.m. to 5 p.m. Saturday, Mar. 17, the following subway and bus changes will be in effect for the St Patrick's Day Parade:

As an alternative, free shuttle buses will operate between Astoria-Ditmars Blvd and Queensboro Plaza, and the [7](#) train will be available at Queensboro Plaza. Details about these changes are available on the [Weekender](#) app and website.
