Letter from NYC Transit President Byford to Thales Regarding Disruptions on 7 Line

MTA New York City Transit President Andy Byford issued the attached letter to Thales, a vendor, reacting to disruptions on the 7 line attributed to Thales equipment.

Also attached are photos of the type of equipment in question, both before and after the installation of a polyurethane weatherproofing cover: <https://new.mta.info/press-release/nyc-transit/letter-nyc-transit-president-byford-thales-regarding-disruptions-7-line/exhibits>
