### MTA Announces Service Details for Labor Day

Most Metropolitan Transportation Authority (MTA) services will operate on Sunday schedules for the Labor Day holiday, Monday, Sept. 7, with subway and bus options for customers traveling to NYC-area beaches. Metro-North Railroad will operate on a regular weekday schedule.

Front door-boarding and fare collection has resumed on MTA buses. Customers are reminded to wear masks and social distance when possible while using the system. Wearing a face covering on public transportation is required by law under Executive Order 202.18 issued by Governor Andrew M. Cuomo effective April 17. The MTA launched its “Mask Force” on July 20 as part of its Operation Respect campaign, comprised of hundreds of volunteers to distribute masks directly to customers.

The multi-pronged operation also includes new public service announcements by actor and activist Rosie Perez encouraging all riders to show respect by wearing a face covering, as well as the systemwide roll out of the MTA’s Safe Travels campaign in train cars and on buses. The MTA also [launched a mask dispenser pilot program](#) on buses July 29 alongside the continued rollout of PPE vending machines. Additionally, the MTA is deploying Bridge and Tunnel Officers on buses to monitor compliance.
