#### *Project Will Also Impact One Oyster Bay Branch and One Montauk Branch Train*

Buses will replace two Ronkonkoma Branch and three Port Jefferson Branch trains on the Main Line between Jamaica and Hicksville tomorrow morning from 1 a.m. until 4 a.m. to allow the Long Island Rail Road to make switch repairs at Nassau Interlocking in Mineola. The work will result in some cancellations and schedule changes for one Oyster Bay Branch train and one Montauk Branch train.

Customers should consult the Special Timetables for the Ronkonkoma, Port Jefferson, Oyster Bay and Montauk branches for Wednesday, November 16, which can be found on at <http://web.mta.info/lirr/Timetable/>. Printed copies of the Special Timetables can be found at all LIRR terminals and branch stations. Here are some of the more significant schedule changes:
