IMMEDIATE

One Rockaway-bound Lane of Marine Parkway Bridge to Close Weekdays

Lane Closure until mid-May for Platform Installation of Steel Structure Repair Work

Beginning Monday, March 7, one Rockaway-bound (southbound) lane on the Marine Parkway-Gil Hodges Memorial Bridge will be closed weekdays until the middle of May. The single lane closure is required to accommodate installation of a platform under the roadway for associated steel repairs to the bridge.

The lane will be closed each Monday from 7a.m. and reopen each Friday after 1 p.m. for weekend traffic.

Brooklyn-bound (northbound) traffic is not affected by this work. The pedestrian walkway will remain open.

Signs will be in place advising motorists of the southbound closure.
