Frequent 'Train the Game' Service and Game-Day Shuttles

The New York Yankees return to the Bronx on Monday, April 4, with their 2016 home opener against the Houston Astros. MTA Metro-North Railroad is coming back too, with "Yankee Clipper" service on the Hudson, Harlem and New Haven Lines, and continual shuttle service before, during and after the game from Grand Central Terminal and Harlem-125th Street.

There's no need to battle game-day traffic or pay expensive parking fees when you can use a one-ticket ride on Metro-North to Yankees-E. 153rd Street Station. Once there, it's under a 10-minute walk from the station to the stadium.

While Metro-North serves the Yankees-E. 153rd Street Station 365 days a year with local Bronx service on the Hudson Line, the railroad offers extra service on all three of its east of Hudson lines for game days. All weekend and weeknight games are served by special Yankee Clipper trains that offer direct service to the stadium from as far away as Poughkeepsie, Southeast, and New Haven.

Alcoholic beverages may be consumed on the train, but open containers are not permitted in the Yankees-E. 153rd Street complex.

Hudson Line

Metro-North will provide direct service to and from all home games from all stations both north and south of Croton-Harmon via regularly scheduled trains.

To all weekend afternoon games, Metro-North offers a Yankee Clipper special from select stations that are timed to let fans get to the stadium 30 or 60 minutes before the first pitch. From all weeknight and weekend games, Metro-North offers a Yankee Clipper special to select stations that is timed to depart 20-45 minutes after the last out. (After weekday 1 p.m. games, the Clipper departs at 4:26 p.m., whether the game is over or not.)

Harlem Line & New Haven Line

Metro-North will provide special Yankee Clipper direct trains to and from all weeknight and weekend games. These trains are timed to arrive at the stadium between 45 minutes and two hours before the first pitch, and depart 20-45 minutes after the last out.

Fans can also take regularly scheduled trains and change at Harlem-125th Street for a short shuttle train ride to the stadium.

Grand Central Terminal & Harlem-125th Street

Metro-North will provide frequent shuttle service during or after all games, including weekdays, weekends and holidays, connecting to regularly scheduled service to outlying points. Shuttles run about every 20 minutes beginning two hours before the game starts and ending two hours after it concludes.

Ticket Information

All trips, to or from the stadium on any line, can be made with just one ticket, whether you ride a direct train or change trains at Harlem-125th Street. Be sure to keep your ticket with you as ticket collectors will be posted at the Yankees-E. 153rd Street Station mezzanine level.

Customers should buy round-trip or one-way tickets to Yankees-E. 153rd St. before boarding for the best price. Tickets can be purchased at ticket machines at stations, ticket windows or online through [WebTicket](#).

You must purchase a peak ticket if part of your trip is during peak travel time (between 4 p.m. and 8 p.m.). However, if you are traveling on the Harlem or New Haven lines to a weekday evening game and transferring at Harlem-125th Street or Grand Central Terminal during peak hours, you can purchase an off-peak ticket between your boarding station and Yankees-E. 153rd Street Station.

Monthly and weekly East of Hudson ticket holders on the Harlem and New Haven lines, as well West of Hudson ticket holders on the Port Jervis and Pascack Valley lines, may travel between Grand Central Terminal and Yankees-E. 153rd Street Station at no extra charge. These tickets are also good for travel between the outlying station and Yankees-E. 153rd Street Station at no extra charge.
