

# Call for Artists

MTA New York City Transit • IRT New Lots Line, Brooklyn

**New Lots Av** 

MTA Arts & Design seeks images of artists' previous work to review in consideration for a new permanent Percent for Art project, in conjunction with renovation of the New Lots Av station in Brooklyn. An approved fabricator will translate the final artwork designs into a durable medium. The artwork is projected to be realized in glass or porcelain enamel. An artist's prior experience with these materials will not be taken into consideration when reviewing images.

## SELECTION PROCESS

A selection panel comprised of arts and design professionals will select finalists to develop site-specific proposals. Finalists will receive an honorarium of \$1,250 to create a proposal of original artwork, based on project specifications and station details to be provided. Following the selection panel's review of proposals, one artist will be selected to receive the commission.

The budget for design and fabrication of the artwork is to be determined. The selected artist will receive an artist fee and be required to produce final designs, select a fabricator and oversee the fabrication and installation of the artwork, with project management by MTA Arts & Design.
