

Call for Artists

MTA New York City Transit • New Lots Line, Brooklyn
Junius St Station and Transfer Bridge 3

MTA Arts & Design seeks images of artists' previous work to review in consideration for a new permanent Percent for Art project, in conjunction with renovation of the Junius St Station and Transfer Bridge in Brooklyn. An approved fabricator will translate the final artwork designs into a durable medium. The artwork is projected to be realized in metal and glass. An artist's prior experience with these materials will not be taken into consideration when reviewing images.

Following the selection panel's review of proposals, one artist will be selected to receive the commission.
