
SAFETY COMMITTEE MEETING

MTA Bridges & Tunnels

February 26, 2024

Trend Analysis

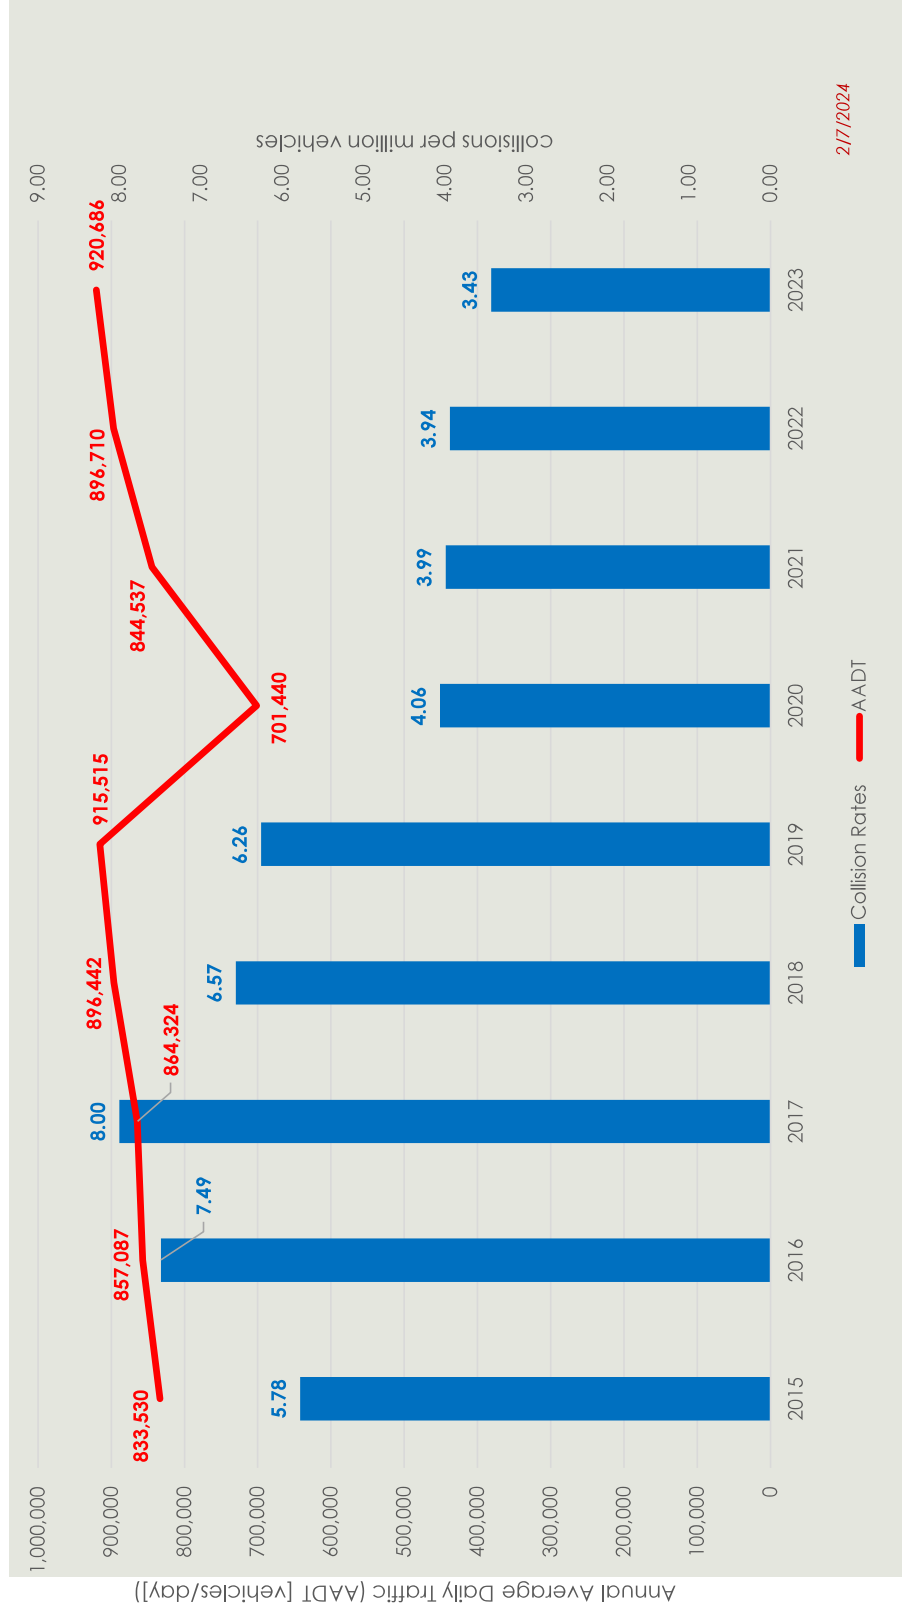

MTA B&T SAFETY INDICATORS

❖ RATES OF CUSTOMER COLLISIONS (PER MILLION VEHICLE CROSSINGS).

- We continuously monitor trends and try to identify causes and factors involved in all collisions.
- Most of the collisions are not very serious in nature, mostly rear-end and side swipe collisions; attributed to driver inattentiveness.

MTA B&T TRENDS ANALYSES

Authority-Wide
Traffic and Collision Rates Trends 2015-2023

2/7/2024

TBTA 3 E'S

❖ **ENGINEERING**

❖ **EDUCATION**

❖ **LAW ENFORCEMENT**
