

# MTA Board Meeting

February 28, 2024

“Urban transit systems in most American cities, for example, have become a genuine civil rights issue — and a valid one — because the layout of rapid-transit systems determines the accessibility of jobs.... If transportation systems in American cities could be laid out so as to provide an opportunity for poor people to get meaningful employment, then they could begin to move into the mainstream of American life.”

– Dr. Martin Luther King, Jr.
