PURPOSE:

The MTA Finance Department is seeking MTA Bridges and Tunnels Board ratification of the previously approved annexed resolution and supplemental resolutions to provide for the issuance of Triborough Bridge and Tunnel Authority (“TBTA” or “MTA Bridges and Tunnels”) Sales Tax Revenue Obligations (Statewide and Citywide Sales Tax) to finance central business district tolling program operating and maintenance expenses and capital needs, and approved Capital Program Transit and Commuter Projects for 2020-2024 and subsequent programs.

The annexed resolutions authorize TBTA to finance such expenditures through the issuance of bonds, notes, commercial paper or other form of indebtedness that are payable from the sales and compensating use taxes described below.

DISCUSSION AND BACKGROUND:

In April 2019, legislation was enacted in New York State providing additional sources of revenues to address the financial needs of the MTA, including portions of statewide and citywide sales and compensating use taxes. The legislation, among other things, provided that certain State and City sales and compensating use taxes be made available for deposit into the Central Business District Capital Lockbox Fund to be applied to the payment of operating, administration and other necessary expenses properly allocable to the central business district tolling program, including the planning, designing, constructing, installing or maintaining thereof, and the costs of any transit and commuter capital projects included within the 2020-2024 MTA Capital Program or any successor programs approved by the Capital Program Review Board (the “CPRB”). The legislation provided that the following taxes be made available for deposit into the Central Business District Capital Lockbox Fund:

- (1) Statewide sales and compensating use taxes in an amount equal to (a) ~~\$125~~^{112.5} million for State Fiscal Year 2019-2020, (b) \$150 million for State Fiscal Year 2020-2021, and (c) 101% of the preceding State Fiscal Year’s amount for each State Fiscal Year thereafter; and
- (2) Citywide sales and compensating use taxes in an amount equal to (a) \$127.5 million for State Fiscal Year 2019-2020, (b) \$170 million for State Fiscal Year 2020-2021, and (c) 101% of the preceding State Fiscal Year’s amount for each State Fiscal Year thereafter.

TBTA submitted the draft Special Obligation Resolution Authorizing Sales Tax Revenue Obligations (Statewide and Citywide Sales Tax), Standard Resolution Provisions and Supplemental Standard Resolution Provisions (collectively, the

Staff Summary

“Sales Tax Obligation Resolution”) to the CPRB for review and approval on January 13, 2020 pursuant to Section 553(20) of the Public Authorities Law. On January 28, 2020, the CPRB approved the Sales Tax Obligation Resolution.

Under separate staff summary, MTA Bridges and Tunnels Board will seek approval of the supplemental resolutions and activities in connection with the issuance of TBTA Sales Tax Revenue Obligations (Statewide and Citywide Sales Tax) in bonds, notes, commercial paper or other form of indebtedness.

With respect to the above-referenced financial transactions, MTA Bridges and Tunnels Board approval is sought:

(a) delegating authority to the Chairman, the Managing Director, the Chair of the Finance Committee, the Vice Chairman, the Chief Financial Officer or the Director, Finance of MTA to make revisions to the Sales Tax Obligation Resolution as necessary or convenient and to award the obligations either pursuant to competitive bid or to members (or entities related to such firms) of the Board-approved MTA underwriting syndicate and to execute and/or deliver in each case, where appropriate:

- o Dealer and Broker/Dealer Agreements,
- o Issuing and Paying Agent and Tender Agent Agreements,
- o Credit Facilities and related Parity Reimbursement Obligations and Parity Debt,

- o Investment Agreements.

Any such documents will be in substantially the form of any document previously entered into by MTA or MTA Bridges and Tunnels for previous issues, with such changes as approved by any one or more of the foregoing officers.

(c) authorizing such officers to seek proposals for the appointment of a trustee and paying agent(s) and other fiduciaries necessary for the purposes of the Sales Tax Obligation Resolution and the activities thereunder.

ALTERNATIVES:

There are no viable alternatives to the immediate near-term funding needs of 2020-2024 Transit and Commuter capital projects with Central Business District Tolling Lockbox Fund revenues.

ARTICLE II

AUTHORIZATION AND ISSUANCE OF OBLIGATIONS AND SECOND LIEN OBLIGATIONS

Section 201. Authorization of the Obligations. (1) The Resolution hereby authorizes Obligations of the Issuer designated as “Sales Tax Revenue Obligations (Statewide and Citywide Sales Tax)”, which Obligations, if and when authorized by the Issuer pursuant to one or more Supplemental Resolutions, may be issued in one or more Series or subseries. Obligations may be issued as Tax-Exempt Obligations, as Taxable Obligations, as obligations which convert on a particular date or dates from Taxable Obligations to Tax-Exempt Obligations, or as Taxable Obligations which are mandatorily exchangeable on a particular date or dates for Tax-Exempt Obligations, or otherwise as determined by Supplemental Resolution and not contrary to the Resolution as then in effect. The Obligations shall be *special obligations* of the Issuer payable solely from the Obligations Trust Estate pledged to the payment thereof pursuant to subsection 1 of Section 501. The aggregate principal amount of the Obligations which may be executed, authenticated and delivered under the Resolution is not limited except as provided in the Resolution or as may from time to time be limited by law.

(2) The Obligations may, if and when authorized by the Issuer pursuant to one or more Supplemental Resolutions, be issued in one or more Series or subseries, and the designations thereof, in addition to the name “Sales Tax Revenue Obligations (Statewide and Citywide Sales Tax)”, shall include such further or different designations in such title for the Obligations of any particular Series or subseries as the Issuer may determine. Each Obligation shall bear upon its face the designation so determined for the Series or subseries to which it belongs.

(3) Nothing in the Resolution shall be deemed to prevent the consolidation into a single Series or subseries for purposes of issuance and sale of Obligations otherwise permitted by the Resolution to be issued at the same time in two or more separate Series or subseries. In the event that separate Series or subseries are combined for purposes of issuance and sale, they may be issued under a single Supplemental Resolution notwithstanding any other provision of the Resolution. Nothing in the Resolution (except to the extent required by Supplemental Resolution) shall be deemed to prevent the separation into separate Series or subseries for purposes of issuance and sale Obligations otherwise permitted by the Resolution to be issued in one Series or subseries.

(4) Obligations may be issued for any of the purposes set forth in Sections 203 and 204.

Section 202. General Provisions for Issuance of Obligations. Obligations may be issued pursuant to a Supplemental Resolution upon satisfaction of the provisions of Section A-201, except that the Opinion of Bond Counsel required by Section A-201.2(a)(iii) shall be to the effect that the Obligations are valid, binding, *special obligations* of the Issuer, enforceable in accordance with their terms and the terms of the Resolution and entitled to the benefits of the Issuer Act and the Resolution as amended to the date of such Opinion of Bond Counsel.

Section 203. Special Provisions for Capital Cost Obligations. (1) The Obligations of one or more Series may at any time, or from time to time, be authenticated and delivered upon original issuance pursuant to this Section 203 to pay, or to provide for the payment of, all or part of the Capital Costs relating to the Central Business District Tolling Program or the TBTA Transit and Commuter Project, in each case only upon receipt by the Trustee (in addition to the items required by Section 202 and subsection 2 of this Section 203) of the following:

(i) the aggregate principal amount of all Obligations and Parity Debt of all Series to be Outstanding;

(ii) the Calculated Debt Service for such Obligations and Parity Debt;
and

(iii) the Statutory Annual Deposit Amount.

In the case of (i) and (ii) above, amounts attributable to the proposed Capital Cost Obligations and any proposed Refunding Obligations being treated as Capital Cost Obligations for purposes of clause (ii) of paragraph (e) of subsection 2 of Section 204 hereof shall be included, but the calculation shall exclude any Obligations or Parity Debt to be refunded with the proceeds of such Refunding Obligations.

(b) A certificate of an Authorized Officer stating that the Statutory Annual Deposit Amounts set forth in (a)(iii) above (plus the amounts, if any, funded from the proceeds of Obligations to be issued or other available moneys of the Issuer that will be applied to the payment of Calculated Debt Service) are greater than the Calculated Debt Service for such Obligations and Parity Debt set forth in (a)(ii) above for each such Fiscal Year.

(2) Regardless of the type of Capital Costs being financed, the Obligations of each Series delivered pursuant to subsection (1) of this Section 203 shall be authenticated and delivered by the Trustee only upon receipt by the Trustee (in addition to the items required by Section 202) of a certificate of an Authorized Officer to the effect that the Issuer then is, and upon the authentication and delivery of the Obligations of such Series shall be, in compliance with all applicable provisions of the Issuer Act relating to the issuance, sale and delivery of such Obligations.

Section 204. Refunding Obligations. (1) In addition to Capital Cost Obligations and refundings permitted under Section 203, one or more Series of Refunding Obligations (in an aggregate principal amount which will provide funds, together with other money available therefor, to accomplish such refunding) may be authenticated and delivered upon original issuance to refund (including by redemption, payment at maturity or in connection with exchanges or tenders) all or any portion of any Outstanding Obligations or Parity Debt.

(2) In addition to the requirements of Section 202, the Refunding Obligations of each such Series shall be authenticated and delivered by the Trustee only upon receipt by the Trustee of the following:

(a) If the Obligations or Parity Debt to be refunded are to be redeemed, instructions to the Trustee and/or trustee for the Parity Debt, satisfactory to it, to give due notice of redemption of all the Obligations or Parity Debt to be refunded on the redemption date or dates specified in such instructions;

(b) If the Obligations or Parity Debt to be refunded are to be deemed paid within the meaning of the second sentence of subsection 2 of Section A-1101 or similar provision with respect to Parity Debt, irrevocable instructions to the Trustee and/or the trustee for the Parity Debt, satisfactory to it, to provide notice in the manner provided in the second sentence of subsection 2 of Section A-1101 or similar provision with respect to Parity Debt with respect to the payment of such Obligations or Parity Debt pursuant to such Section or provision;

(c) If the Obligations or Parity Debt to be refunded are to be deemed paid within the meaning of the second sentence of subsection 2 of Section A-1101 or similar provision with respect to Parity Debt, either (i) money and/or (ii) Defeasance Securities as shall be necessary to comply with the provisions of the second sentence of subsection 2 of Section A-1101 or defeasance securities as shall be necessary to comply with any similar provision with respect to Parity Debt, which money and Defeasance Securities (or defeasance securities) shall be held in trust and used only as provided in said subsection 2 of Section A-1101 or similar provision with respect to Parity Debt;

(d) If the proceeds of such Series of Refunding Obligations are to be utilized by the Issuer to purchase (in connection with a tender for or redemption of Obligations or Parity Debt, or otherwise) Obligations or Parity Debt to be delivered to the Trustee in satisfaction of a Sinking Fund Installment in accordance with subsection 3 of Section A-502 or similar provision with respect to Parity Debt, a certificate of an Authorized Officer specifying the matters required thereby; and

(e) Either

(i) a certificate of an Authorized Officer (A) setting forth for the then current and each future Fiscal Year (1) the Calculated Debt Service on the Obligations and Parity Debt (*including* the Refunding Obligations then proposed to be issued *but not including* the Obligations and Parity Debt to be refunded) and (2) the Calculated Debt Service on the Obligations and Parity Debt as calculated immediately prior to the issuance of the Refunding Obligations (*including* the Obligations and Parity Debt to be refunded *but not including* the Refunding Obligations) and (B) stating that for the then current and each future Fiscal Year the Calculated Debt Service set forth pursuant to (1) above is not greater than the Calculated Debt Service set forth pursuant to (2) above; or

(ii) upon satisfaction of the requirements of Section 203 with respect to such Series of Refunding Obligations, considering for all purposes of any certificate delivered pursuant to subsection 2 of Section 203 that (A) such Series of Refunding Obligations is a Series of Capital Cost Obligations and (B) the Refunding Obligations then proposed to be issued will be Outstanding but the Obligations or Parity Debt to be refunded will no longer be Outstanding.

Second Lien Obligations may be issued as Tax-Exempt Second Lien Obligations, as Taxable Second Lien Obligations, as obligations which convert on a particular date or dates from Taxable Second Lien Obligations to Tax-Exempt Second Lien Obligations, or as Taxable Second Lien Obligations which are mandatorily exchangeable on a particular date or dates for Tax-Exempt Second Lien Obligations, or otherwise as determined by Supplemental Resolution and not contrary to the Resolution as then in effect. The Second Lien Obligations shall be special obligations of the Issuer payable solely from the Second Lien Obligations Trust Estate pledged to the payment thereof pursuant to subsection 5 of Section 501. In the event that separate Series or subseries are combined for purposes of issuance and sale, they may be issued under a single Supplemental Resolution notwithstanding any other provision of the Resolution. Nothing in the Resolution (except to the extent required by Supplemental Resolution) shall be deemed to prevent the separation into separate Series or subseries for purposes of issuance and sale of Second Lien Obligations otherwise permitted by the Resolution to be issued in one Series or subseries.

(4) Second Lien Obligations may be issued for any of the purposes set forth in Sections 207 or 208.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 701. Obligations Events of Default. Each of the following events is defined as and shall constitute an “Obligations Event of Default” in respect of Obligations and Parity Debt under the Resolution:

(1) if default shall be made in the due and punctual payment of the principal or Redemption Price of, or interest on, any Obligation when and as the same shall become due and payable, whether at maturity or by call for redemption, or otherwise and such default shall continue for a period of 30 days, or

(2) if default shall be made by the Issuer in the performance or observance on its part of any other of the covenants, agreements or conditions contained in the Resolution or in the Obligations, and such default shall continue for a period of 60 days after written notice thereof to the Issuer by the Trustee or to the Issuer and to the Trustee by the Owners of a majority in principal amount of the Obligations Outstanding; provided, however, that if such default shall be such that it cannot be corrected within such 60 day period, it shall not constitute an Obligations Event of Default if corrective action is instituted within such period and diligently pursued until the failure is corrected.

Section 702. Powers of Trustee.

(1) In the event that any Obligations Event of Default specified in Section 701 shall occur and be continuing, the Trustee may, and, upon written request of the Owners of a majority in aggregate principal amount of the Obligations then Outstanding, shall, in its name:

- (a) by suit, action or proceeding in accordance with the civil practice law and rules, enforce all rights of the Owners of Obligations;
- (b) bring suit upon the Obligations against the Issuer;

provided, however, under no circumstances may the Trustee or any Owner or Owners declare the principal of all the Obligations then Outstanding, and the interest accrued thereon, to be due and payable immediately.

(2) Subject to the provisions of Sections 701 and A-1001 and the foregoing provisions of this Section 702, the remedies conferred upon or reserved to the Trustee in respect of any Obligations Event of Default are not intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Resolution or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Obligations Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but

any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than notice as may be expressly required herein.

(3) The Trustee shall, in addition to the foregoing power, have and possess all of the powers necessary or appropriate for the exercise of any functions specifically set forth herein or incidental to the general representation of Owners of Obligations in the enforcement and protection of their rights.

(4) The Issuer covenants that if an Obligations Event of Default shall have happened and shall not have been remedied, the books of record and account of the Issuer and all other records relating to the Obligations Trust Estate shall at all times be subject to the inspection and use of the Trustee and of its agents and attorneys and, upon demand of the Trustee, the Issuer will account, as if it were the trustee of an express trust, for the Obligations Trust Estate for such period as shall be stated in such demand.

(5) The right of the Trustee to the appointment of a receiver as provided in Section 567 of the TBTA Act is hereby abrogated.

(a) Unless the principal of all of the Obligations shall have become due and payable:

First: To the payment to the Persons entitled thereto of all installments of interest then due with respect to Obligations and the interest components of Parity Debt in the order of the maturity of such installments and interest components, and, if the amount available shall not be sufficient to pay in full any installments and interest components due on the same date, then to the payment thereof ratably, according to the amounts due on such installments and interest components, to the Persons entitled thereto, without any discrimination or preference, except as to the difference in the respective rates of interest specified in such Obligations and Parity Debt; and

Second: To the payment to the Persons entitled thereto of the unpaid principal or Redemption Price of any Obligations and the principal component of Parity Debt which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amount available shall not be sufficient to pay in full all the Obligations and Parity Debt due on any date, then to the payment thereof ratably, according to the amounts of principal and Redemption Price and principal component due on such date, to the Persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Obligations and the principal component of Parity Debt shall have become due and payable, to the payment of the principal and interest then due and unpaid upon the Obligations and Parity Debt without preference or priority of principal or principal component over interest or interest component or of interest or interest component over principal or principal component, or of any installment of interest or interest component over any other installment of interest or interest component, or of any Obligation or Parity Debt over any other Obligation or Parity Debt, ratably, according to the amounts due respectively for principal and interest, to the Persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Obligations and Parity Debt.

(2) The provisions of this Section 703 are in all respects subject to the provisions of Section A-602.

Section 704. Second Lien Obligations Events of Default. Each of the following events is defined as and shall constitute a “Second Lien Obligations Event of Default” in respect of Second Lien Obligations and Second Lien Parity Debt under the Resolution:

(1) if default shall be made in the due and punctual payment of the principal or Redemption Price of, or interest on, any Second Lien Obligation when and as the same shall become due and payable, whether at maturity or by call for redemption, or otherwise and such default shall continue for a period of 30 days, or

(2) if default shall be made by the Issuer in the performance or observance on its part of any other of the covenants, agreements or conditions contained in the Resolution or in the Second Lien Obligations, and such default shall continue for a period of 60 days after written notice thereof to the Issuer by the Trustee or to the Issuer and to the Trustee by the Owners of a majority in principal amount of the Second Lien Obligations Outstanding; provided, however, that if such default shall be such that it cannot be corrected within such 60 day period, it shall not constitute a Second Lien Obligations Event of Default if corrective action is instituted within such period and diligently pursued until the failure is corrected.

Section 705. Powers of Second Lien Trustee in Respect of a Second Lien Obligations Event of Default.

(1) In the event that any Second Lien Obligations Event of Default specified in Section 704 shall occur and be continuing, the Second Lien Trustee may, and, upon written request

of the Owners of a majority in aggregate principal amount of the Second Lien Obligations then Outstanding, shall, in its name:

- (a) by suit, action or proceeding in accordance with the civil practice law and rules enforce all rights of the Second Lien Owners;
- (b) bring suit upon the Second Lien Obligations against the Issuer;
- (c) by action or suit, require the Issuer to account as if it were the trustee of an express trust for the Second Lien Owners; or
- (d) by action or suit, enjoin any acts or things which may be unlawful or in violation of the rights of the Second Lien Owners;

provided, however, that under no circumstances may the Second Lien Trustee or any Second Lien Trustee or Second Lien Owners declare the principal amount of all the Second Lien Obligations then Outstanding, and the interest accrued thereon, to be immediately due and payable.

Such rights shall be subordinate, and subject to in all respects, the pledge of the Obligations Trust Estate securing Obligations and Parity Debt created pursuant to subsection 1 of Section 501.

(2) Subject to the provisions of Sections 704 and B-1001 and the foregoing provisions of this Section 705, the remedies conferred upon or reserved to the Second Lien Trustee in respect of any Second Lien Obligations Event of Default are not intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Resolution or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Second Lien Obligations Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Second Lien Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than notice as may be expressly required herein.

(3) The Second Lien Trustee shall in addition to the foregoing powers, have and possess all of the powers necessary or appropriate for the exercise of any functions specifically set forth herein or incidental to the general representation of Second Lien Owners in the enforcement and protection of their rights.

(4) The Issuer covenants that if a Second Lien Obligations Event of Default shall have happened and shall not have been remedied, the books of record and account of the Issuer and all other records relating to the Second Lien Obligations Trust Estate shall at all times be subject to the inspection and use of the Second Lien Trustee and of its agents and attorneys and, upon demand of the Second Lien Trustee, the Issuer will account, as if it were the trustee of an express trust, for the Second Lien Obligations Trust Estate for such period as shall be stated in such demand.

Section 706. Priority of Payments After Default on Second Lien Obligations.

(1) In the event that the funds held by the Fiduciaries shall be insufficient for the payment of interest and principal or Second Lien Redemption Price then due on the Second Lien Obligations and for payments then due with respect to Second Lien Parity Debt, such funds

(excluding funds held for the payment or redemption of particular Second Lien Obligations which have theretofore become due at maturity or by call for redemption and funds which at the time of their deposit into any Fund or Account under the Resolution have been designated to be applied solely to the payment of the principal of and premium, if any and interest on any series of Second Lien Obligation Anticipation Notes) and any other money received or collected by the Fiduciaries, or the Second Lien Trustee, after making provision for the payment of any expenses necessary in the opinion of the Second Lien Trustee to preserve the continuity of the amounts to be received under the Resolution or otherwise to protect the interest of the Second Lien Owners, and for the payment of the charges and expenses and liabilities incurred and advances made by the Fiduciaries in the performance of their duties under the Resolution, shall be applied as follows:

(a) Unless the principal of all of the Second Lien Obligations shall have become due and payable:

First: To the payment to the Persons entitled thereto of all installments of interest then due with respect to Second Lien Obligations and the interest components of Second Lien Parity Debt in the order of the maturity of such installments and interest components, and, if the amount available shall not be sufficient to pay in full any installments and interest components due on the same date, then to the payment thereof ratably, according to the amounts due on such installments and interest components, to the Persons entitled thereto, without any discrimination or preference, except as to the difference in the respective rates of interest specified in such Second Lien Obligations and Second Lien Parity Debt; and

Second: To the payment to the Persons entitled thereto of the unpaid principal or Redemption Price of any Second Lien Obligations and the principal component of Second Lien Parity Debt which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amount available shall not be sufficient to pay in full all the Second Lien Obligations and Second Lien Parity Debt due on any date, then to the payment thereof ratably, according to the amounts of principal and Second Lien Redemption Price and principal component due on such date, to the Persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Second Lien Obligations and the principal component of Second Lien Parity Debt shall have become due and payable, to the payment of the principal and interest then due and unpaid upon the Second Lien Obligations and Second Lien Parity Debt without preference or priority of principal or principal component over interest or interest component or of interest or interest component over principal or principal component, or of any installment of interest or interest component over any other installment of interest or interest component, or of any Second Lien Obligations and Second Lien Parity Debt over any other Second Lien Obligations and Second Lien Parity Debt, ratably, according to the amounts due respectively for principal and interest, to the Persons entitled thereto, without any discrimination or preference except as to any

difference in the respective rates of interest specified in the Second Lien Obligations and Second Lien Parity Debt.

(2) Such rights set forth in this Section 706 shall be subordinate, and subject in all respects, to the prior pledge of the Obligations Trust Estate securing Obligations and Parity Debt created pursuant to subsection 1 of Section 501.

(3) The provisions of this Section 706 are in all respects subject to the provisions of Section B-602.

Section A-103. Authority for the Resolution. The Resolution is adopted pursuant to the Issuer Act.

Section A-104. Resolution to Constitute Contract. In consideration of the purchase and acceptance of any and all of the Obligations and Parity Debt authorized to be issued hereunder by those who are Owners of the Obligations and Parity Debt from time to time, the Resolution shall be deemed to be and shall constitute a contract between the Issuer and the Owners from time to time of the Obligations and Parity Debt; and the pledge made in the Resolution and the covenants and agreements therein set forth to be performed on behalf of the Issuer shall be for the equal benefit, protection and security of the Owners of any and all of the Obligations and Parity Debt, all of which, regardless of the time or times of their authentication, issuance and delivery, or maturity, shall be of equal rank without preference, priority or distinction of any of the Obligations or Parity Debt over any other Obligations or Parity Debt, except as expressly provided in or permitted by the Resolution.

ARTICLE A-II

(t) Such other matters, not contrary to or inconsistent with the Resolution, as the Issuer may deem advisable or necessary in connection with the authorization, issuance, sale, or delivery of such Series of Obligations.

An Authorized Officer to whom a Supplemental Resolution has delegated the power to determine any of the foregoing shall execute a Certificate of Determination evidencing such determinations or other actions taken pursuant to the delegation under such Supplemental Resolution, and such Certificate of Determination shall be conclusive evidence of the determinations or actions of such Authorized Officer as to the matters stated therein. The matters set forth in any such Certificate of Determination shall have the same effect as if set forth in the related Supplemental Resolution.

2. The Obligations may be sold in one or more Series or subseries (each of which shall contain a designation distinguishing it from other Series or subseries), and shall be delivered by the Issuer under the Resolution but only upon receipt by the Trustee of:

(a) An Opinion of Bond Counsel in customary form to the effect that (i) the Issuer has the right and power under the Issuer Act to adopt the Resolution, and the Resolution has been duly and lawfully adopted by the Issuer, is in full force and effect, and is valid and binding upon the Issuer, and enforceable in accordance with its terms, and no other authorization for the Resolution is required as of the date thereof; (ii) the Resolution creates the valid pledge which it purports to create of the Obligations Trust Estate in the manner and to the extent provided in Section 501; and (iii) the Obligations are valid and binding obligations of the Issuer, enforceable in accordance with their terms and the terms of the Resolution and entitled to the benefits of the Issuer Act as amended to the date of such Opinion of Bond Counsel, and (iv) such Obligations have been duly and validly authorized and issued in accordance with law and the Resolution;

(b) A copy of the Supplemental Resolution authorizing such Obligations, certified by an Authorized Officer;

(c) A written order of the Issuer as to the delivery of the Obligations, signed by an Authorized Officer;

(d) A certificate of an Authorized Officer to the effect that, upon the delivery of the Obligations of such Series (i) no event which constitutes a default under the Resolution or any of the Obligations shall have occurred and be continuing or, if such an event is continuing, upon issuance of the Obligations such default shall be cured, and (ii) no such event would result from the authentication and delivery of the Obligations of such Series;

(e) If any Obligations are Variable Interest Rate Obligations or a Qualified Swap is being entered into that will result in a variable interest rate obligation of the Issuer, a determination by an Authorized Officer of the Estimated Average Interest Rate;

(f) If any Obligations of such Series are Put Obligations, a determination by an Authorized Officer of the method or methods to be employed to provide for the purchase or redemption of all Put Obligations of such Series if the Owners thereof elected to tender for purchase or redemption the entire aggregate Outstanding principal amount of the Put Obligations of such Series; and

(g) Such further documents and money as are required by the provisions of Article II, this Article A-II or Article A-VIII.

3. If Obligations are to be listed on a domestic or foreign stock exchange, the Authorized Officers are hereby authorized to take all such actions as they deem necessary or appropriate to comply with the listing requirements of such exchange, including the appointment of a member of such exchange as listing agent, the publication where required by such exchange of all redemption notices, the appointment of a special clearing agent and paying agent, and the execution of an undertaking letter with such exchange.

4. The Obligations shall not be a debt of the State or the City and neither the State nor the City shall be liable thereon, nor shall Obligations be payable out of any funds other than those of the Issuer as provided in the Resolution.

Section A-202. Credit Facilities; Qualified Swaps and Other Similar Arrangements; Parity Debt. 1. The Issuer may include such provisions in a Supplemental Resolution authorizing the issuance of a Series of Obligations secured by a Credit Facility as the Issuer deems appropriate, and no such provisions shall be deemed to constitute an amendment to the Resolution requiring action under Article A-VIII or Article A-IX, including:

(a) So long as the Credit Facility is in full force and effect and payment on the Credit Facility is not in default, then (i) the issuer of the Credit Facility shall be deemed to be the sole Owner of the Outstanding Obligations the payment of which such Credit Facility secures or (ii) in the alternative or with respect to particular matters, the approval, consent or action of the issuer of the Credit Facility shall be required in addition to the approval, consent or action of the applicable percentage of the Owners of the Outstanding Obligations, in either case when the approval, consent or action of the Owners for such Obligations is required or may be exercised under the Resolution including Section A-802 hereof and following an Event of Default hereunder; *provided, however, that* no issuer of a Credit Facility shall be deemed to be the sole Owner of Outstanding Obligations pursuant to this provision in the event that the Credit Facility or Credit Facilities securing such Obligations provide only liquidity support.

(b) In the event that the principal, Sinking Fund Installments, if any, and Redemption Price, if applicable, and interest due on any Outstanding Obligations (or Purchase Price of any Outstanding Obligations to the extent the issuer of the Credit Facility has not been reimbursed) shall be paid under the provisions of the Credit Facility, all covenants, agreements and other obligations of the Issuer to the Owners of such Obligations shall continue to exist and such issuer of the Credit Facility shall be subrogated to the rights of such Owners in accordance with the terms of such Credit Facility.

2. In addition, such Supplemental Resolution may establish such provisions as are necessary (i) to comply with the provisions of each such Credit Facility, (ii) to provide relevant information to the issuer of the Credit Facility, (iii) to provide a mechanism for paying Principal Installments and interest on Obligations secured by the Credit Facility, and (iv) to make provision for any events of default or for additional or improved security required by the issuer of a Credit Facility.

3. The Issuer may enter into such agreements with the issuer of such Credit Facility providing for, *inter alia*: (i) the payment of fees and expenses to such issuer for the issuance of such Credit Facility, (ii) the terms and conditions of such Credit Facility and the Obligations affected thereby, and (iii) the security, if any, to be provided for the issuance of such Credit Facility.

4. The Issuer may secure such Credit Facility by an agreement providing for the purchase of the Obligations secured thereby with such adjustments to the rate of interest, method of determining interest, maturity, or redemption provisions as specified by the Issuer in the

applicable Supplemental Resolution. The Issuer may also in an agreement with the issuer of such Credit Facility agree to directly reimburse such issuer for amounts paid under the terms of such Credit Facility (together with interest thereon, the “**Reimbursement Obligation**”); *provided, however, that* no amounts shall be payable by the Issuer under a Reimbursement Obligation for purposes of the Resolution, until amounts are paid under such Credit Facility by the issuer thereof. As determined by Supplemental Resolution, any such Reimbursement Obligation, which may include interest calculated at a rate higher than the interest rate on the related Obligation and accelerated principal amortization, (i) may be secured by a pledge of, and a lien on, the Obligations Trust Estate on a parity with the lien created by Section 501 of the Resolution to secure the Obligations (a “**Parity Reimbursement Obligation**”), but only to the extent that (prior to any acceleration of all Obligations, if permitted) any principal amortization requirements are *either* (A) commensurate with the amortization requirements for such related Obligations, without acceleration or (B) accelerated to no greater extent than to require repayment in equal principal installments over 5 or more years, or (ii) may constitute a Subordinated Contract Obligation, as determined by the Issuer. Parity Reimbursement Obligations shall not include any payments (other than interest calculated at a higher rate pursuant to a Credit Facility) (i) of any fees or expenses, (ii) pursuant to any indemnification provisions or (iii) pursuant to term-loan or other principal amortization requirements in reimbursement of any such advance that are more accelerated than permitted by clauses (A) and (B) of the preceding sentence, and any such payments of the items specified in clauses (i), (ii) or (iii) shall constitute Subordinated Contract Obligations.

5. Any such Credit Facility shall be for the benefit of and secure such Obligations or portion thereof as specified in any applicable Supplemental Resolution.

6. In connection with the issuance of any Obligations or at any time thereafter so long as Obligations remain Outstanding, the Issuer may, to the extent permitted pursuant to law, from time to time enter into Qualified Swaps. The Issuer’s obligation to pay any amount under *any* Qualified Swap may be secured by a pledge of, and a lien on, the Obligations Trust Estate on a parity with the lien created by Section 501 of the Resolution to secure the Obligations (a “**Parity Swap Obligation**”), or may constitute a Subordinated Contract Obligation, as determined by the Issuer. Parity Swap Obligations shall not include any payments of any termination or other fees, expenses, indemnification or other obligations to a counterparty to a Qualified Swap, which payments shall be Subordinated Contract Obligations.

7. Parity Debt shall not be a debt of the State or the City and neither the State nor the City shall be liable thereon, nor shall Parity Debt be payable out of any funds other than those of the Issuer pledged therefor pursuant to the Resolution.

8. Except to the extent that an Authorized Officer directs that such amounts be deposited in any other Fund or Account pledged to the payment of Obligations, any amounts paid to the Issuer under a Qualified Swap shall be deposited in the Senior Debt Service Fund.

9. To the extent applicable and not readily apparent with respect any Parity Debt, either the terms of such Parity Debt shall specify (or an Authorized Officer shall specify in writing) the interest and principal components of, or the scheduled payments corresponding to principal and interest under, such Parity Debt or the manner of determining the foregoing.

Section A-203. Obligation Anticipation Notes. Whenever the Issuer shall have, by Supplemental Resolution, authorized the issuance of a Series of Obligations, the Issuer may by resolution authorize the issuance of Obligation Anticipation Notes in anticipation of the issuance of such authorized Series of Obligations, in a principal amount not exceeding the principal amount of the Obligations of such Series so authorized. The principal of and premium, if any, and interest on such Obligation Anticipation Notes and any renewals of such Obligation Anticipation Notes shall be payable only from any or all of the following items designated by the Issuer at or prior to issuance of any such series of Obligation Anticipation Notes (i) the proceeds of any renewals of such Obligation Anticipation Notes issued to repay such Obligation Anticipation Notes, (ii) the proceeds of the sale of the Series of Obligations in anticipation of which such Obligation Anticipation Notes are issued, (iii) amounts available to pay Subordinated Indebtedness, or (iv) any other money available therefor and not pledged under the Resolution. Such proceeds and other amounts set forth in clauses (i), (ii), (iii) and (iv) may be pledged for the payment of the principal of and premium, if any, and interest on such Obligation Anticipation Notes, and any such pledge of the items set forth in clauses (i) and (ii) shall have priority over any other pledge created by the Resolution, including Section 501. In any case, such Obligation Anticipation Notes shall be retired or provision shall be made for their retirement not later than the date of authentication and delivery of the Series of Obligations in anticipation of which they are issued. The proceeds of the sale of Obligation Anticipation Notes other than renewals thereof shall be applied to the purposes for which the Obligations in anticipation of which such Obligation Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Resolution for such purposes or, if so provided in the resolution authorizing renewals of Obligation Anticipation Notes issued to pay outstanding Obligation Anticipation Notes, applied directly to such payment. Investment earnings from any amounts on deposit in any Fund or Account under the Resolution representing the proceeds of any Obligation Anticipation Notes shall be applied in the manner set forth in the resolution authorizing such Obligation Anticipation Notes.

ARTICLE A-III

GENERAL TERMS AND PROVISIONS OF OBLIGATIONS

Except as otherwise provided by Supplemental Resolution, the Obligations shall be subject to the terms and provisions of these Standard Resolution Provisions.

Section A-301. Medium of Payment; Form and Date.

1. The Obligations and Parity Debt shall be payable, with respect to interest, principal and Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts (or to the extent permitted by law, in any other coin or currency authorized pursuant to a Supplemental Resolution for related Obligations and Parity Debt).

2. Obligations shall be issued in the form of fully registered Obligations without coupons. Obligations, the certificate of authentication, if any, and the form of assignment shall be in substantially the form provided for in Exhibit One with such appropriate variations, omissions, substitutions and insertions as are permitted or required hereby or thereby or are required by law, and may have such letters, numbers or other marks of identification and such legends and endorsements placed thereon as may be required to comply with any applicable laws or rules or regulations, or as may, consistent herewith, be determined by the officers executing such Obligations, as evidenced by their execution of the Obligations. Any portion of the text of any Obligation may be set forth on the reverse thereof, with an appropriate reference thereto on the face of such Obligation, or as multiple pages (with or without such a reference). Obligations may be typewritten, printed, engraved, lithographed or otherwise produced.

3. Obligations shall be dated, and shall bear or not bear interest, as provided in the Supplemental Resolution authorizing such Obligations.

Section A-302. Legends. Obligations may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of the Resolution as may be necessary or desirable to comply with custom, the rules of any securities exchange or commission or brokerage board, or otherwise, as may be determined by the Issuer.

Section A-303. Execution and Authentication.

1. The Obligations shall be executed in the name of the Issuer by the manual or facsimile signature of an Authorized Officer or in such other manner as may be required by law or specified in a Supplemental Resolution. In case any of the officers who shall have signed any of the Obligations shall cease to be such officer before the Obligations so signed shall have been actually delivered, such Obligations may, nevertheless, be delivered as herein provided, and may be issued as if the Persons who signed such Obligations had not ceased to hold such offices. Any Obligation may be signed on behalf of the Issuer by such Persons as at the actual time of the execution of such Obligation shall be duly authorized or hold the proper office in the Issuer, although at the date of the Obligations such Persons may not have been so authorized or have held such office.

2. Obligations of each Series shall bear thereon a certificate of authentication, executed manually by the Trustee. Only such Obligations as shall bear thereon such certificate of authentication shall be entitled to any right or benefit under the Resolution and no Obligation shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Obligation executed on behalf of the Issuer shall be conclusive evidence that the Obligation so authenticated has been duly authenticated and delivered under the Resolution and that the Owner thereof is entitled to the benefits of the Resolution.

Section A-304. Interchangeability of Obligations. Obligations, upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar, duly executed by the Owner or his duly authorized attorney, may, at the option of such Owner, be exchanged for an equal aggregate principal amount of Obligations of the same Series, maturity and interest rate of any other authorized denomination.

Section A-305. Negotiability, Transfer and Registry. All the Obligations issued under the Resolution shall be negotiable, subject to the provisions for registration and registration of transfer contained in the Resolution and in the Obligations. So long as any of the Obligations shall remain Outstanding, the Issuer shall maintain and keep, at the office of the Registrar, books for the registration and registration of transfer of Obligations; and, upon presentation thereof for such purpose at said office and under such reasonable regulations as it or the Registrar may prescribe, the Issuer shall register or cause to be registered therein, and permit to be transferred thereon, the registration of any Obligation entitled to registration or registration of transfer. So long as any of the Obligations remain Outstanding, the Issuer shall make all necessary provision to permit the exchange of Obligations at the office of the Registrar.

Section A-306. Transfer of Obligations.

1. The transfer of each Obligation shall be registerable only upon the books of the Issuer, which shall be kept by the Registrar, by the Owner thereof in person or by his attorney authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar executed by the Owner or his authorized attorney. Upon the registration of transfer of any such Obligation, the Issuer shall issue in the name of the transferee a new Obligation of the same aggregate principal amount, Series, maturity and interest rate as the surrendered Obligation.

2. The Issuer and each Fiduciary may deem and treat the Person in whose name any Outstanding Obligation shall be registered upon the books of the Issuer as the absolute owner of such Obligation, whether such Obligation shall be overdue or not, for the purpose of receiving payment of or on account of, the principal and Redemption Price, if any, of and interest on such Obligation and for all other purposes, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Obligation to the extent of the sum or sums so paid, and neither the Issuer nor any Fiduciary shall be affected by any notice to the contrary. The Issuer agrees to indemnify and save each Fiduciary harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, unless acting in bad faith or with negligence under the Resolution, in so treating such registered owner.

Section A-307. Regulations With Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging Obligations or registering the transfer of Obligations is exercised, the Issuer shall execute and the Registrar shall deliver Obligations in accordance with the provisions of the Resolution. All Obligations surrendered in any such exchanges or registrations of transfer shall forthwith be canceled by the Registrar. For every such exchange or registration of transfer of Obligations, whether temporary or definitive, the Issuer or the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer.

Section A-308. Obligations Mutilated, Destroyed, Stolen or Lost. In case any Obligation shall become mutilated or be destroyed, stolen or lost, the Issuer shall execute, and thereupon the Trustee and Registrar shall deliver, a new Obligation of like tenor, Series, maturity, interest rate and principal amount as the Obligation so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Obligation, upon surrender and cancellation of such mutilated Obligation, or in lieu of and substitution for the Obligation destroyed, stolen or lost, upon filing with the Trustee and Registrar evidence satisfactory to the Issuer and the Trustee and Registrar that such Obligation has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Issuer and the Trustee and Registrar with indemnity satisfactory to them and complying with such other reasonable regulations as the Issuer and the Trustee and Registrar may prescribe and paying such expenses as the Issuer and Trustee and Registrar may incur. All Obligations so surrendered to the Registrar shall be canceled by it. If any such Obligation shall have matured, or if such Obligation shall have been called for redemption or a redemption date pertaining thereto shall have passed, instead of issuing a new Obligation the Issuer may cause the same to be paid without surrender thereof upon indemnity satisfactory to the Issuer and the Trustee. Any such new Obligations issued pursuant to this Section in substitution for Obligations alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the Issuer, whether or not the Obligations so alleged to be destroyed, stolen or lost be at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Obligations issued under the Resolution, in any money or securities held by the Issuer or the Fiduciary for the benefit of the Owners of Obligations.

Section A-309. Book-Entry-Only System. The Issuer may employ a book-entry-only system of registration with respect to any Obligations and may utilize the procedures regarding such registration set forth in this Section A-309, as such procedures may be modified or superseded pursuant to the Supplemental Resolution authorizing such Obligations. Any provisions of the Resolution inconsistent with book-entry-only Obligations shall not be applicable to such book-entry-only Obligations.

Any Authorized Officer is hereby authorized to take all actions required for each Series of Obligations to be eligible under the rules and regulations of The Depository Trust Company (“DTC”), 55 Water Street, New York, New York, for investment and trading as uncertificated securities. DTC is hereby appointed as the initial Securities Depository for the Obligations, with Cede & Co., a nominee thereof, being the initial registered owner of the Obligations. In the event that any Securities Depository resigns or is removed, any Authorized Officer may select a substitute Securities Depository. The Issuer and any Fiduciary, and any agent of the Issuer or any Fiduciary, may treat any Securities Depository in whose name any Obligations is registered as the owner of such Obligation for all purposes under the Resolution. For so long as the Securities

Depository is the registered owner of the Obligations, procedures with respect to the transmission of notices and the transfer of ownership of, redemption of and payment of principal or Redemption Price, if any, of and interest on such Obligations so held shall be in accordance with arrangements among the Trustee, the Issuer and the Securities Depository.

So long as the Obligations are registered in the name of the Securities Depository, the Issuer and the Trustee shall have no responsibility or obligation to any Securities Depository participant, indirect participant or beneficial owner of the Obligations. Without limiting the immediately preceding sentence, the Issuer and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of any Securities Depository or any Securities Depository participant or indirect participant with respect to any beneficial ownership interest in the Obligations, (ii) the delivery to any Securities Depository participant, indirect participant, beneficial owner or any other person, other than the Securities Depository, of any notice with respect to the Obligations, including any notice of redemption or tender, or (iii) the payment to any Securities Depository participant, indirect participant, beneficial owner or any other person, other than the Securities Depository, of any amount with respect to the principal of or Redemption Price or interest on the Obligations.

The Issuer, in its sole discretion and without the consent of any other person, may terminate the services of any Securities Depository with respect to any Series of Obligations. Notice of such termination shall be given by the Issuer to the Trustee prior to or simultaneously with such termination. In the event the book-entry only system is discontinued with respect to the Obligations, principal and Redemption Price of and interest on the Obligations shall be paid as provided in the Resolution.

Consistent with DTC book-entry provisions, one or more typewritten certificates shall be prepared for each maturity of the Obligations of a Series and registered in the name of the Securities Depository. There shall be no physical distribution of bond or other certificates to beneficial owners of such Obligations. In the event that the Obligations do not qualify to be held by the Securities Depository or that either the Issuer determines to discontinue the book-entry only system or DTC determines to discontinue providing its service with respect to the Obligations and there is no successor Securities Depository, the bond or other certificates shall be delivered in the form required by the Resolution.

Unless otherwise directed by an Authorized Officer, "CUSIP" identification numbers will be imprinted on the Obligations, but such numbers shall not constitute a part of the contract evidenced by the Obligations and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the Obligations. As a convenience to the Owners of the Obligations, the Issuer and the Trustee may use such CUSIP numbers in any notices to the Owners of the Obligations, including any notices of redemption of the Obligations. Failure on the part of the Issuer or the Trustee to use such CUSIP numbers in any notice to Owners of the Obligations shall not constitute an Event of Default or any similar violation of the Issuer's contract with such Owners. The Issuer will promptly notify the Trustee of any change in the CUSIP numbers.

ARTICLE A-IV

REDEMPTION AND TENDER OF OBLIGATIONS

Section A-401. Privilege of Redemption and Redemption Price. Except as otherwise provided in the Resolution or a Supplemental Resolution, Obligations subject to redemption pursuant to a Supplemental Resolution shall be subject to redemption only in accordance with this Article A-IV.

Obligations subject to redemption prior to maturity pursuant to a Supplemental Resolution shall be redeemable, upon written notice as provided in this Article A-IV, at such times, at such Redemption Prices and upon such terms as may be specified in the Supplemental Resolution authorizing such Obligations.

Section A-402. Redemption at the Election of the Issuer; Tender to Related Entities. In the case of any redemption of Obligations at the election of the Issuer, the Issuer shall give written notice to the Trustee of its election so to redeem, of the redemption date, of the Series, of the principal amounts of the Obligations of each maturity and interest rate of such Series to be redeemed (which Series, maturities, interest rates and principal amounts thereof to be redeemed shall be determined by the Issuer in its sole discretion, subject to any limitations with respect thereto contained in any Supplemental Resolution). Such notice shall be given at least 45 days prior to the redemption date or such shorter period as may be provided in the Supplemental Resolution or as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as in Section A-405 provided but subject to the second paragraph of Section A-405, the Issuer shall on or prior to the redemption date cause to be paid out to the appropriate Paying Agent or Paying Agents out of money available therefor an amount in cash which, in addition to other money, if any, available therefor held by such Paying Agent or Paying Agents, will be sufficient to redeem on the redemption date at the Redemption Price thereof, all of the Obligations to be redeemed.

The Issuer may, in its sole discretion, purchase or grant to any Related Entity the option to purchase, at any time and from time to time, any Obligations which are redeemable at the election of the Issuer at a purchase price equal to the redemption price therefor. To exercise any such option, the Issuer or the Related Entity shall give the Trustee a written request exercising such option within the time periods specified in the related Supplemental Resolution as though such written request were a written request of the related Issuer for redemption, and the Trustee shall thereupon give the Owners of the Obligations to be purchased notice of such purchase in the manner specified in the related Supplemental Resolution as though such purchase were a redemption. On the date fixed for purchase pursuant to any exercise of such an option, the Issuer or the Related Entity shall pay the purchase price of the Obligations then being purchased to the Trustee in immediately available funds, and the Trustee shall pay the same to the sellers of such Obligations against delivery thereof. Following such purchase, the Trustee shall cause such Obligations to be registered in the name of the Issuer or the Related Entity or its nominee and shall deliver them to the Issuer, the Related Entity or its nominee. Except to the extent otherwise directed by an Authorized Officer, no purchase of Obligations pursuant to such an option shall operate to extinguish the indebtedness of the Issuer evidenced thereby. Any such option to purchase by a Related Entity either shall be conditioned on the provision of sufficient money

therefor by the Related Entity or shall be an obligation of the Issuer in the event that the Related Entity does not provide sufficient money therefor.

Section A-403. Redemption Otherwise Than at the Issuer's Election. Whenever by the terms of the Resolution Obligations are required to be redeemed otherwise than at the election of the Issuer, the Trustee shall select the Obligations to be redeemed, give the notice of redemption and pay out of money available therefor the Redemption Price to the appropriate Paying Agents in accordance with the terms of this Article A-IV. The Trustee shall have no liability in making such selection.

Section A-404. Selection of Obligations to Be Redeemed. In the event of redemption of less than all the Outstanding Obligations of like tenor, Series, maturity and interest rate, the Trustee shall select, as directed by the Issuer (as to the timing of such selection, manner of such selection or otherwise) or otherwise in such manner as the Trustee in its discretion shall deem appropriate and fair, the numbers of the Obligations to be redeemed and portions of any thereof to be redeemed in part. Obligations of denominations equal or less than the minimum authorized denomination thereof may be redeemed only as a whole. Obligations of denominations of more than the minimum authorized denomination thereof may be redeemed either as a whole or in part (which, if redeemed in part, must assure that the portion of the Obligation which is not redeemed is an authorized denomination). For the purposes of this Section A-404, Obligations, or portions thereof, which have theretofore been selected for redemption shall not be deemed Outstanding.

Section A-405. Notice of Redemption. When the Trustee shall receive notice from the Issuer of its election to redeem Obligations pursuant to Section A-402, and when redemption of Obligations is required by the Resolution pursuant to Section A-403, the Trustee shall give notice, in the name of the Issuer, of the redemption of such Obligations, which notice shall specify the Series (including CUSIP numbers), maturities and, if any maturity shall include Obligations bearing different interest rates and all Obligations of such maturity are not being redeemed, the interest rate of the Obligations to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Obligations of any like tenor, Series, maturity and interest rate are to be redeemed, the letters and numbers or other distinguishing marks of such Obligations so to be redeemed, and, in the case of Obligations to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed, and, if applicable, that such notice is conditional and the conditions that must be satisfied. Such notice shall further state that on such date there shall become due and payable upon each Obligation to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Obligations to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be given not less than 20 days nor more than 45 days, or for such other period as may be specified in a Supplemental Resolution authorizing a particular Series, before the redemption date, to the Owners of any Obligations or portions of Obligations which are to be redeemed. Failure so to give any such notice to any particular Owner shall not affect the validity of the proceedings for the redemption of Obligations not owned by such Owner and failure of any Owner to receive such notice shall not affect the validity of the proposed redemption of Obligations. The Issuer may provide notices of redemption at such additional times as it may determine necessary or appropriate.

Any notice of optional redemption given pursuant to this Section may state that it is conditional upon receipt by the Trustee of money sufficient to pay the Redemption Price of such Obligations or upon the satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before payment of such Redemption Price if any such condition so specified is not satisfied or if any such other event occurs. Notice of such rescission shall be given by the Trustee to affected Owners of Obligations as promptly as practicable upon the failure of such condition or the occurrence of such other event.

Unless otherwise provided by Supplemental Resolution, notices of redemption shall be sent by first class mail, postage prepaid.

Notice of redemption of any Series of Obligations shall also be sent by the Trustee to such additional Persons as may be specified in the Supplemental Resolution authorizing such Series.

Section A-406. Payment of Redeemed Obligations. Notice having been given in the manner provided in Section A-405, the Obligations or portions thereof so called for redemption shall, subject to the second paragraph of Section A-405, become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender thereof at the office specified in such notice, such Obligations, or portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date. If there shall be called for redemption less than all of an Obligation, the Issuer shall execute and cause to be delivered, upon the surrender of such Obligation, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Obligation so surrendered, at the option of the owner thereof, Obligations of like tenor, Series, maturity and interest rate in any of the authorized denominations. If, on the redemption date, money for the redemption of all the Obligations or portions thereof of any like tenor, Series, maturity and interest rate to be redeemed, together with interest to the redemption date, shall be held by the Paying Agents so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date interest on the Obligations or portions thereof of such Series, maturity and interest rate so called for redemption shall cease to accrue. If said money shall not be so available on the redemption date, such Obligations or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

INVESTMENT OF FUNDS; SINKING FUND INSTALLMENTS; CANCELLATION AND DISPOSITION OF OBLIGATIONS

Section A-501. Investment of Funds.

1. Subject to the provisions of Section A-1104, amounts in the Funds and Accounts established by Section 502 of the Resolution may be invested only in Authorized Investments and only when and as specifically directed in writing by an Authorized Officer.

2. The Trustee or the Issuer shall sell any Authorized Investments held in any Fund, Account or subaccount to the extent required for payments from such Fund, Account or subaccount. The proceeds of such sales, and of all payments at maturity or upon redemption of such investments, shall be held in the applicable Fund, Account or subaccount to the extent required to meet the requirements of such Fund, Account or subaccount. Except as provided by Supplemental Resolution, in computing the amount of such Funds, Accounts and subaccounts, investments shall be valued at par, or if purchased at other than par, shall be valued at Amortized Value. Accrued interest received upon the sale of any Authorized Investment to the extent such amount exceeds any accrued interest paid on the purchase of such Authorized Investment shall be treated as interest earned on such Authorized Investment for purposes of this Section.

3. Nothing in the Resolution shall prevent any Authorized Investments acquired as investments of or security for any Fund, Account or subaccount held under the Resolution from being held in book-entry form.

4. In making any investment in any Authorized Investments with money in any Fund or Account established under the Resolution, the Trustee or the Issuer may combine such money with money in any other Fund or Account held by it, but solely for purposes of making such investment in such Authorized Investments.

Section A-502. Satisfaction of Sinking Fund Installments.

1. Any amount accumulated in the Senior Debt Service Fund in respect of and up to the unsatisfied balance of each Sinking Fund Installment shall be applied by the Trustee to either (a) or (b) below as directed by the Issuer (together with amounts accumulated in the Senior Debt Service Fund with respect to interest on the Series of Obligations for which such Sinking Fund Installment was established) if so directed by an Authorized Officer prior to the 45th day preceding the due date of such Sinking Fund Installment as follows:

(a) to the purchase of Obligations for which such Sinking Fund Installment was established, at prices (including any brokerage and other charges) not exceeding the principal amount of such Obligations plus unpaid interest accrued to the date of purchase, such purchases to be made in such manner as the Issuer shall direct; or

(b) to the redemption of Obligations for which such Sinking Fund Installment was established, if then redeemable by their terms at the prices referred to in clause (a) of this subsection 1 of this Section A-502.

All Obligations so purchased or redeemed shall be canceled by the Trustee prior to the 45th day preceding the due date of such Sinking Fund Installment.

2. Upon the purchase or redemption of any Obligation pursuant to subsection 1 of this Section, an amount equal to the principal amount of the Obligations so purchased or redeemed shall be credited toward the next Sinking Fund Installment thereafter to become due with respect to the Obligations of such maturity and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Installment shall be credited by the Trustee against future Sinking Fund Installments for such Series as specified by an Authorized Officer. Prior to the purchase or redemption of such Obligations, the Issuer shall deliver to the Paying Agent and to the Trustee a certificate of an Authorized Officer specifying (i) the principal amount, Series, maturity, interest rate and numbers of the Obligations so to be purchased or redeemed, (ii) the date and Series of the Sinking Fund Installment in satisfaction of which such Obligations are so to be purchased or redeemed, (iii) the aggregate principal amount of the Obligations so to be purchased or redeemed, and (iv) the unsatisfied balance of each such Sinking Fund Installment after giving effect to the delivery of such Obligations.

3. In satisfaction, in whole or in part, of any Sinking Fund Installment, the Issuer may deliver to the Trustee at least 45 days prior to the date of such Sinking Fund Installment, for cancellation, Obligations acquired by purchase or redemption, except Obligations acquired by purchase or redemption pursuant to the provisions of subsection 1 of this Section, of the maturity and interest rate entitled to such Sinking Fund Installment. All Obligations so delivered to the Trustee in satisfaction of a Sinking Fund Installment shall reduce the amount thereof by the amount of the aggregate principal amount of such Obligations. Concurrently with such delivery of such Obligations the Issuer shall deliver to the Paying Agent and to the Trustee a certificate of an Authorized Officer, specifying (i) the principal amount, Series, maturity, interest rate and numbers of the Obligations so delivered, (ii) the date and Series of the Sinking Fund Installment in satisfaction of which such Obligations are so delivered, (iii) the aggregate principal amount of the Obligations so delivered, and (iv) the unsatisfied balance of each such Sinking Fund Installment after giving effect to the delivery of such Obligations.

4. The Trustee shall, upon receipt of the notice and in the manner required by the Resolution, call for redemption, on the date of each Sinking Fund Installment falling due prior to maturity, such principal amount of Obligations of the Series, interest rate and maturity entitled to such Sinking Fund Installment as is required to exhaust the unsatisfied balance of such Sinking Fund Installment.

Section A-503. Cancellation and Disposition of Obligations. All Obligations that have been paid (whether at maturity or by acceleration, call for redemption, purchase by the Issuer and presentation for cancellation, or otherwise) or delivered to the Trustee for cancellation shall be canceled and not reissued, except as otherwise provided in a Supplemental Resolution with respect to Put Obligations. Unless otherwise directed by the Issuer, the Trustee shall treat canceled Obligations in accordance with its document retention policies. Notwithstanding any other

provision of the Resolution, the Issuer may in its sole discretion purchase any obligations of the Issuer or any Related Entity for investment purposes and any such obligations shall remain outstanding unless and until presented for cancellation.

Nothing herein shall be deemed to limit the right of the Issuer (i) to issue refunding obligations as provided in the Resolution and such issuance shall not be deemed to constitute an extension of maturity of the Obligations, (ii) to issue Put Obligations and neither such issuance nor the operation of the provisions of such Put Obligations shall be deemed to constitute an extension of maturity of the Obligations, (iii) to apply any amount in any Fund held under the Resolution for such purpose to the purchase or redemption of Obligations or (iv) to issue securities having a maturity date, including any extension of maturity contemplated at the time of issuance, of no more than 270 days from the issue date.

The Issuer may appoint the Trustee or any other Fiduciary as its agent to maintain such office or agency for the payment, redemption, registration, transfer or exchange of Obligations and for the service upon the Issuer of such notices, demands and other documents. The Issuer may also maintain one or more offices or agencies outside of the City or State for the same purposes.

Section A-604. Further Assurance. To the extent permitted by law, the Issuer from time to time shall make, do, execute, adopt, acknowledge and deliver, and take all and every such further acts, deeds, conveyances, assignments, resolutions, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights and interests in the Obligations Trust Estate or assigned, or intended so to be, or which the Issuer may become bound to pledge or assign.

Section A-605. Accounts and Reports.

1. The Issuer shall keep proper books of record and account of its operations. Such books of account are to be audited at least annually by independent certified public accountants experienced in governmental accounting selected by the Issuer. A copy of each audit report, annual balance sheet and income and expense statement shall be filed with the Trustee and sent to any Owner filing with the Issuer a written request therefor.

2. The Issuer shall annually, within 6 months after the close of each fiscal year or at such other time required under applicable law or a subsequent contract with all or certain Owners (or, if not available by such date, when and if available), file with the Trustee, and otherwise as provided by law, a copy of an annual report for such year, accompanied by the opinion of the accountants specified in subsection 1 of this Section.

Section A-606. General.

1. The Issuer shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the Issuer under the provisions of the Resolution and, to the extent material to the interests of Owners, the Issuer Act.

ARTICLE A-VII

CONCERNING THE TRUSTEE, PAYING AGENTS AND THE REGISTRAR

Section A-701. Trustee; Appointment and Acceptance of Duties. On or prior to the delivery of any Obligations, the Issuer shall appoint a Trustee. The Trustee shall signify its acceptance of the duties and obligations imposed upon it by the Resolution by executing and delivering to the Issuer a written acceptance thereof.

Section A-702. Duties, Liabilities and Rights of the Trustee.

(a) Prior to the occurrence of an Event of Default of which a Responsible Officer of the Trustee has written notice or actual knowledge, and after the curing or waiver of any Event of Default which may have occurred:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Resolution, and no implied covenants or obligations shall be read into the Resolution against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of the Resolution; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee is under a duty to examine same to determine whether or not they conform to the requirements of the Resolution.

(b) In case an Event of Default of which a Responsible Officer of the Trustee has written notice or actual knowledge has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by the Resolution, and use the same degree of care and skill in their exercise, as a prudent Person would exercise or use in the conduct of such Person's own affairs.

(c) No provision of the Resolution shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this subsection (c) shall not be construed to limit the effect of subsection (a) of this Section A-702;

(2) the Trustee is not and shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Trustee, unless it is proven that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee is not and shall not be liable with respect to any action taken or omitted to be taken by it in good faith (i) in accordance with the direction of the Owners of the applicable percentage of Obligations then Outstanding relating to the time, method

and place of conducting any proceeding for any remedy available to the Trustee, or (ii) which it believes to be authorized or within its rights or powers under the Resolution;

(4) no provision of the Resolution shall require the Trustee to expend or risk its own funds or otherwise incur any personal or financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, for which it has not received a satisfactory indemnity;

(5) the Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper Person and shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit;

(6) the Trustee shall not be charged with knowledge of an Event of Default unless a Responsible Officer of the Trustee shall have received written notice from an Owner or the Issuer or have actual knowledge; provided that the Trustee shall be deemed to have actual knowledge of any failure to pay principal or Redemption Price of or interest on Obligations when due;

(7) the Trustee shall not be under any obligation to take any action that is discretionary hereunder;

(8) neither the Trustee nor any of its directors, officers, employees or agents shall be personally liable for any action taken, suffered or omitted by the Trustee in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon the Trustee by the Resolution;

(9) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians, or nominees and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent, attorney, custodians or nominees appointed with due care by it hereunder; and

(10) the Trustee may request that the Issuer deliver a certificate of an Authorized Officer setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant hereto, which certificate may be signed by any Person authorized to sign such a certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(d) Whether or not expressly so provided, every provision of the Resolution relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of this Section A-702.

(e) In the event that the Trustee is also acting as Paying Agent or Registrar hereunder, the rights and protections afforded to the Trustee pursuant to this Article A-VII shall also be afforded to the Paying Agent and Registrar.

Section A-703. Paying Agents and Registrars; Appointment and Acceptance of Duties.

1. The Trustee is hereby appointed the Registrar and a Paying Agent with respect to the Obligations. The Issuer may at any time or from time to time appoint one or more other Paying Agents and Registrars in the manner and subject to the conditions set forth in Section A-713 for the appointment of a successor Paying Agent or Registrar. The Issuer may be appointed a Paying Agent or Registrar.

2. Each Paying Agent and Registrar other than the Trustee shall signify its acceptance of the duties and obligations imposed upon it by the Resolution by executing and delivering to the Issuer and to the Trustee a written acceptance thereof.

Section A-704. Responsibilities of Fiduciaries. The recitals of fact contained in the Resolution and in the Obligations shall be taken as the statements of the Issuer and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of the Resolution or of any Obligations issued thereunder or in respect of the security afforded by the Resolution, and no Fiduciary shall incur any liability in respect thereof. No Fiduciary shall be under any responsibility or duty with respect to the issuance of the Obligations for value or the application of the proceeds thereof or the application of any money paid to the Issuer. No Fiduciary shall be under any responsibility or duty with respect to the application of any money paid to any other Fiduciary. No Fiduciary shall be liable in connection with the performance of its duties under the Resolution, or for any losses, fees, taxes or other charges incurred upon the purchase or sale or redemption of any securities purchased for or held in any Fund under the Resolution, including any losses incurred by reason of having to sell securities prior to their maturity date, except in each case for its own willful misconduct, negligent action or negligent failure to act.

Section A-705. Evidence on Which Fiduciaries May Act.

1. Each Fiduciary shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel of its selection, who may or may not be counsel to the Issuer, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, omitted to be taken or suffered by it under the Resolution in good faith and in accordance therewith.

2. Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under the Resolution, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of the

Resolution; but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable.

3. Except as otherwise expressly provided in the Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision thereof by the Issuer to any Fiduciary shall be sufficiently executed if executed in the name of the Issuer by an Authorized Officer.

Section A-706. Compensation. The Issuer shall pay to each Fiduciary from time to time such compensation as shall be agreed to in writing between the Fiduciary and the Issuer for all services rendered under the Resolution (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under the Resolution. To the extent permitted by law, the Issuer further agrees to indemnify and save each Fiduciary and its officers, directors, agents, and employees harmless against any and all liabilities, losses, damages, claims or expenses which it may incur in the acceptance, exercise and performance of its powers and duties hereunder and which are not due to its willful misconduct, negligence or bad faith. The obligations of this Section A-706 shall survive the discharge of the Resolution. No obligation of the Issuer to make any payment to any Fiduciary shall have the benefit of any lien on or pledge or assignment of the Obligations Trust Estate.

A Fiduciary shall notify the Issuer promptly of any claim for which it may seek indemnity. The Issuer shall defend the claim and the Trustee shall cooperate in the defense. The Fiduciary may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel.

Section A-707. Certain Permitted Acts. Any Fiduciary may become the owner of any Obligations or any other obligations of the Issuer, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law and pursuant to the Resolution, any Fiduciary may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners of Obligations or the holders of any other obligations of the Issuer or to effect or aid in any reorganization growing out of the enforcement of the Obligations or any other obligations of the Issuer or the Resolution, whether or not any such committee shall represent the Owners of a majority in principal amount of the Obligations then Outstanding.

Section A-708. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties and obligations created by the Resolution by giving not less than 60 days' written notice to the Issuer and mailing notice thereof to the Owners of the Obligations, specifying the date when such resignation shall take effect, at least 45 days prior to the effective date, provided that such resignation shall take effect upon *the later of* (i) the day specified in such notice and (ii) the day a successor shall have been appointed by the Issuer or the Owners of Obligations as provided in Section A-710 and shall have qualified therefor.

Section A-709. Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing, filed with the Trustee, and signed by the Owners

of a majority in principal amount of the Obligations then Outstanding or their attorneys-in-fact duly authorized, excluding any Obligations held by or for the account of the Issuer or any Related Entity. In addition, so long as no Event of Default shall have occurred and be continuing hereunder and the Trustee is not pursuing any right or remedy available to it pursuant to the Resolution, the Trustee may be removed by the Issuer at any time for failure to provide reasonably acceptable services, failure to charge reasonably acceptable fees or any other reasonable cause, all as determined by a certificate of an Authorized Officer filed with the Trustee. Any such removal shall not be effective until a successor shall have been appointed by the Issuer or the Owners of Obligations as provided in Section A-710 and shall have qualified therefor.

Section A-710. Appointment of Successor Trustee.

1. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, a successor may be appointed by the Owners of a majority in principal amount of the Obligations then Outstanding, excluding any Obligations held by or for the account of the Issuer, by an instrument or concurrent instruments in writing signed and acknowledged by such Owners of Obligations or by their attorneys-in-fact duly authorized and delivered to such successor Trustee, notification thereof being given to the Issuer and the predecessor Trustee; *provided, nevertheless, that* unless a successor Trustee shall have been appointed by the Owners of Obligations as aforesaid, the Issuer by a duly executed written instrument signed by an Authorized Officer of the Issuer shall forthwith appoint a Trustee to fill such vacancy until a successor Trustee shall be appointed by the Owners of Obligations as authorized in this Section A-710. The Issuer shall mail notice of any such appointment made by it to all Owners within 20 days after such appointment. Any successor Trustee appointed by the Issuer shall, immediately and without further act, be superseded by a Trustee appointed by the Owners of Obligations.

2. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within 45 days after the Trustee shall have given to the Issuer written notice as provided in Section A-708 or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, the Trustee or the Owner of any Obligation may, at the expense of the Issuer, apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

3. Any Trustee appointed under the provisions of this Section A-710 in succession to the Trustee shall be a Bank that is organized under the laws of the State, or, if organized under the laws of another state, authorized to do business in the State of New York, or is a national banking association organized under the laws of the United States of America, doing business and having a corporate trust office in The City of New York, and which at the time of selection meets all thresholds for being well capitalized or adequately capitalized under the prompt corrective action framework applicable to insured depository institutions under Section 38 of the Federal Deposit Insurance Act as in effect from time to time or all thresholds for substantially equivalent categories in any successor legislation, if there be such a Bank willing and able to accept the office on

reasonable and customary terms and authorized by law to perform all the duties imposed upon it by the Resolution.

Section A-711. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under the resolution shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Issuer, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all money, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the written request of the Issuer, or of the successor Trustee, and, upon the payment of all of its charges hereunder, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under the Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Issuer. Any successor Trustee shall promptly notify the Registrar and the Paying Agents of its appointment as Trustee.

Section A-712. Merger or Consolidation. Any Person into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its municipal corporate trust business, provided such Person shall be a Bank that is organized under the laws of the State, or, if organized under the laws of another state, authorized to do business in the State of New York, or is a national banking association organized under the laws of the United States of America, doing business and having a corporate trust office in The City of New York, and which at the time of selection meets all thresholds for being well capitalized or adequately capitalized under the prompt corrective action framework applicable to insured depository institutions under Section 38 of the Federal Deposit Insurance Act as in effect from time to time or all thresholds for substantially equivalent categories in any successor legislation, if there be such a Bank willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by the Resolution, and shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

Section A-713. Resignation or Removal of Paying Agent or Registrar and Appointment of Successor. 1. Any Paying Agent or Registrar may at any time resign and be discharged of the duties and obligations created by the Resolution by giving at least 60 days' written notice to the Issuer, the Trustee, and the other Paying Agents or Registrar, as the case may be. Any Paying Agent or Registrar may be removed at any time by an instrument filed with such Paying Agent or Registrar and the Trustee and signed by the Issuer. Any successor Paying Agent or Registrar shall be appointed by the Issuer, with the approval of the Trustee, and (subject to the requirements of Section A-603) shall be a Bank that is organized under the laws of the State, or, if organized under the laws of another state, authorized to do business in the State of New York, or

is a national banking association organized under the laws of the United States of America, doing business and having a corporate trust office in The City of New York, and which at the time of selection meets all thresholds for being well capitalized or adequately capitalized under the prompt corrective action framework applicable to insured depository institutions under Section 38 of the Federal Deposit Insurance Act as in effect from time to time or all thresholds for substantially equivalent categories in any successor legislation, if there be such a Bank willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by the Resolution.

2. In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any money held by it as Paying Agent to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.

3. In the event of the resignation or removal of any Registrar, such Registrar shall transfer and deliver all records, certificates and documents held by it as Registrar to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Registrar, the Trustee shall act as such Registrar.

Section A-714. Adoption of Authentication. In case any of the Obligations contemplated to be issued under the Resolution shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Obligations and deliver the Obligations so authenticated; and in case any of such Obligations shall not have been authenticated, any successor Trustee may authenticate such Obligations in the name of the predecessor Trustee, or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere in said Obligations or in the Resolution provided that the certificate of the Trustee shall have.

Section A-715. Continuing Disclosure Agreements. The Trustee shall be entitled to the same rights and the same degree of indemnification in its execution and performance of each continuing disclosure agreement entered into pursuant to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 as amended, as it is under the Resolution.

ARTICLE A-VIII

SUPPLEMENTAL RESOLUTIONS

Section A-801. General Provisions.

1. The Resolution shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article VIII of the Resolution, this Article A-VIII and Article A-IX hereof. Nothing contained in Article VIII of the Resolution, this Article or in Article A-IX shall affect or limit the right or obligation of the Issuer to execute and deliver to any Fiduciary any instrument which elsewhere in the Resolution it is provided shall be delivered to said Fiduciary.

2. Any Supplemental Resolution referred to and permitted or authorized by Section 801 of the Resolution may be adopted by the Issuer without the consent of any of the Owners, but shall become effective only on the conditions, to the extent and at the time provided in said Section. 3. No Supplemental Resolution shall change or modify any of the rights or obligations of any Fiduciary without its written consent.

ARTICLE A-IX

AMENDMENTS

Section A-901. Mailing. Any provision in this Article for the mailing of a notice or other paper to Owners shall be fully complied with if it is mailed postage prepaid to each Owner of any affected Obligation then Outstanding at such Owner's address, if any, appearing upon the registry books of the Issuer, and (ii) to the Trustee; or, in each case, to such parties by facsimile or other means to the extent permitted by applicable law and arrangements.

Section A-902. Powers of Amendment. Any modification or amendment of the Resolution and of the rights and obligations of the Issuer and of the Owners, in any particular, may be made by a Supplemental Resolution, with the written consent given as provided in Section A-903, (i) of the Owners of a majority in principal amount of the Obligations Outstanding at the time such consent is given, and (ii) in case less than all of the Obligations then Outstanding are affected by the modification or amendment, of the Owners of a majority in principal amount of the Obligations so affected and Outstanding at the time such consent is given; *provided, however, that* if such modification or amendment will, by its terms, not take effect so long as particular Obligations remain Outstanding, the consent of the Owners of such Obligations shall not be required and such Obligations shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Obligations under this Section. No such modification or amendment shall (a) permit a change in the terms of redemption or maturity of the principal of any Outstanding Obligation or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Obligation, (b) reduce the percentages or otherwise affect the classes of Obligations the consent of the Owners of which is required to waive an Event of Default or otherwise effect any such modification or amendment, (c) create a preference or priority of any Obligation or Obligations over any other Obligation or Obligations, without the consent of the Owners of all such Obligations, (d) create a lien prior to or on parity with the lien of the Resolution securing Obligations, without the consent of the Owners of all of the Obligations then Outstanding, or (e) change or modify any of the rights or obligations of any Fiduciary without its written assent thereto. For the purposes of this Section, an Obligation shall be deemed to be affected by a modification or amendment of the Resolution if the same materially and adversely affects the rights of the Owner of such Obligation. The Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment particular Obligations would be affected by any modification or amendment of the Resolution and any such determination shall be binding and conclusive on the Issuer and all Owners of Obligations. The Trustee may request and receive an opinion of counsel, including a Counsel's Opinion, as conclusive evidence as to whether particular Obligations would be so affected by any such modification or amendment of the Resolution and the Trustee shall have no duty or obligation to take any action hereunder unless and until it has received such opinion. Notwithstanding anything in this Section or the Resolution to the contrary, the consent of Owners of any Series of additional Obligations to be issued hereunder to any modification or amendment of the Resolution, which modification or amendment, as well as such consent, is disclosed in the official statement or other offering document prepared in connection with the primary offering of such Series of additional Obligations, shall be deemed given and irrevocable and no other evidence of such consent shall be required.

Section A-903. Consent of Owners of Obligations. The Issuer at any time may adopt a Supplemental Resolution making a modification or amendment permitted by the provisions of Section A-902 to take effect when and as provided in this Section. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee) together with a request to the Owners for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Issuer to the Owners (but failure to mail such copy and request shall not affect the validity of the Supplemental Resolution when consented to as in this Section provided). Such Supplemental Resolution shall not be effective unless and until (i) there shall have been filed with the Trustee (a) the written consents of Owners of the percentages of Outstanding Obligations specified in Section A-902 and (b) a Counsel's Opinion stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Issuer in accordance with the provisions of the Resolution, is authorized or permitted by the Resolution, and is valid and binding upon the Issuer and enforceable in accordance with its terms, and (ii) a notice shall have been mailed to Owners as hereinafter in this Section A-903 provided. Any such consent, including any consent provided pursuant to the last sentence of Section A-902, shall be irrevocable and binding upon the Owner of the Obligations giving such consent and, anything in Section A-1102 to the contrary notwithstanding, upon any subsequent Owner of such Obligations and of any Obligations issued in exchange therefor (whether or not such subsequent Owner thereof has notice thereof). At any time after the Owners of the required percentages of Obligations shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Issuer and the Trustee a written statement that the Owners of such required percentages of Obligations have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter, notice, stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Issuer on a stated date, a copy of which is on file with the Trustee) has been consented to by the Owners of the required percentages of Obligations and will be effective as provided in this Section A-903, may be given to Owners of Obligations by the Issuer by mailing such notice to Owners of Obligations (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this Section A-903 provided). The Issuer shall file with the Trustee proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section A-903 to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Issuer, the Fiduciaries and the Owners of all Obligations at the expiration of 40 days after the filing with the Trustee of the proof of the mailing of such last-mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such 40-day period; *provided, however, that* any Fiduciary and the Issuer during such 40-day period and any such further period during which any such action or proceeding may be pending shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

Section A-904. Modifications by Unanimous Consent. The terms and provisions of the Resolution and the rights and obligations of the Issuer and of the Owners of Obligations may be modified or amended in any respect upon the adoption and filing by the Issuer of a Supplemental Resolution and the consent of the Owners of all of the Obligations then Outstanding, such consent to be given as provided in Section A-903 except that no notice to Owners of Obligations shall be required; *provided, however, that* no such modification or amendment shall change or modify any

of the rights or obligations of any Fiduciary without the filing with the Trustee of the written consent thereto of such Fiduciary in addition to the consent of the Owners of Obligations.

Section A-905. Notation on Obligations. Obligations issued and delivered after the effective date of any action taken as in Article A-VIII or this Article provided may, and, if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the Issuer and the Trustee as to such action, and in that case upon demand of the Owner of any Obligation Outstanding at such effective date and presentation of its Obligation for the purpose at the corporate trust office of the Trustee, suitable notation shall be made on such Obligation by the Trustee as to any such action. If the Issuer or the Trustee shall so determine, new Obligations so modified as in the opinion of the Trustee and the Issuer to conform to such action shall be prepared, authenticated and delivered. Upon demand of the Owner of any Obligations then Outstanding and the surrender of such Obligations, there shall be authenticated and exchanged therefor, new Obligations having the same terms, other than the noted modification, as the Obligations surrendered.

ARTICLE A-X

DEFAULT AND REMEDIES

Section A-1001. Abrogation of Right to Appoint Statutory Trustee; Preservation of Statutory Rights and Remedies. Any right of the Owners of Obligations to appoint a trustee under the Issuer Act is hereby abrogated. Subject to the foregoing sentence of this Section A-1001 and the provisions of Section 701 of the Resolution, the Owners of Obligations and the Trustee acting on behalf of the Owners of Obligations shall be entitled to all of the rights and remedies provided or permitted by law.

ARTICLE A-XI

MISCELLANEOUS

Section A-1101. Defeasance. 1. If the Issuer shall pay or cause to be paid to the Owners of all Obligations then Outstanding the principal and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in the Resolution, then, at the option of the Issuer, expressed in an instrument in writing signed by an Authorized Officer and delivered to the Trustee, the covenants, agreements and other obligations of the Issuer to the Owners of Obligations shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the Issuer, execute and deliver to the Issuer all such instruments as may be desirable to evidence such discharge and satisfaction and the Fiduciaries shall pay over or deliver to the Issuer all money, securities and funds held by them pursuant to the Resolution which are not required for the payment or redemption of Obligations not theretofore surrendered for such payment or redemption.

2. Outstanding Obligations or any portions thereof for the payment or redemption of which money shall have been set aside and shall be held in trust by the Paying Agents shall at the respective maturity or redemption dates thereof be deemed to have been paid within the meaning and with the effect expressed in subsection 1 of this Section A-1101. Outstanding Obligations or any portions thereof shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection 1 of this Section either (A) with respect to the defeasance of Taxable Obligations, Tax-Exempt Obligations or otherwise, as provided in the Supplemental Resolution authorizing their issuance or (B) if (a) in case any of said Obligations are to be redeemed on any date prior to their maturity, the Issuer shall have given to the Trustee in form satisfactory to it irrevocable instructions to mail as provided in Article A-IV notice of redemption on said date of such Obligations, (b) there shall have been irrevocably deposited with the Trustee either money in an amount which shall be sufficient, or Defeasance Securities the principal of and the interest on which when due will provide money which, together with the money, if any, deposited with the Trustee at the same time, shall be sufficient, without further investment or reinvestment of either the principal amount thereof or the interest earnings thereon, to pay when due, the principal or Redemption Price, if applicable, and interest due and to become due on such Obligations or such portions thereof on and prior to the redemption date or maturity date thereof, as the case may be, and (c) in the event such Obligations are not by their terms maturing or are not subject to redemption within the next succeeding 60 days, the Issuer shall have given the Trustee in form satisfactory to it irrevocable instructions to mail, as soon as practicable, a notice to the Owners of such Obligations that the deposit required by (b) above has been made with the Trustee and that said Obligations are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which money is to be available for the payment of the principal or Redemption Price, if applicable, on such Obligations. Neither Defeasance Securities nor money deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on said Obligations; *provided, however, that* any money on deposit with the Trustee, (i) to the extent such money will not be required at any time for such purpose, shall be paid over to the Issuer as received by the Trustee, free and clear of any trust, lien or pledge securing said Obligations or otherwise existing under the Resolution, and (ii) to the extent such

money will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Defeasance Securities maturing at times and in amounts sufficient, together with any money available to the Trustee for such purpose, to pay when due the principal or Redemption Price, if applicable, and interest to become due on said Obligations on and prior to such redemption date or maturity date thereof, as the case may be. Notwithstanding any other provision hereof, the Issuer may at the time of defeasance elect to retain the right to redeem or require the tender of any obligations deemed paid pursuant to subsection 2 of Section A-1101. The Trustee shall, at the direction of the Issuer, select the Obligations or portions thereof that are deemed to have been paid in advance of the redemption of such Obligations.

3. Anything in the Resolution to the contrary notwithstanding, any money held by a Fiduciary in trust for the payment and discharge of the principal or Redemption Price of or interest on any of the Obligations which remains unclaimed for 2 years after the date when such principal, Redemption Price or interest, respectively, has become due and payable, either at stated maturity dates or by call for earlier redemption, if such money was held by the Fiduciary at such date, or for 2 years after the date of deposit of such money if deposited with the Fiduciary after the date when such principal, Redemption Price, or interest, respectively, became due and payable, shall, at the written request of the Issuer, be repaid by the Fiduciary to the Issuer, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Owners of Obligations shall look only to the Issuer for the payment of such principal, Redemption Price, or interest, respectively. Notwithstanding the foregoing or anything in the Resolution to the contrary, any money held by a Fiduciary in trust for the payment and discharge of any Obligations which remains unclaimed after such money was to be applied to the payment of such Obligations in accordance with the Resolution may be applied in accordance with the provisions of the Abandoned Property Law of the State, being Chapter 1 of the Consolidated Laws of the State or any successor provision thereto, and upon such application, the Fiduciary shall thereupon be released and discharged with respect thereto and the Owners of Obligations shall look only to the Issuer or the Comptroller of the State for the payment of such Obligations. Before being required to make any such payment to the Issuer or to apply such money in accordance with the Abandoned Property Law of the State, the Fiduciary shall, at the expense of the Issuer, cause to be mailed to the Owners entitled to receive such money a notice that said money remains unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of the mailing, the balance of such money then unclaimed will be returned to the Issuer or applied in accordance with the Abandoned Property Law of the State, as the case may be.

Section A-1102. Evidence of Signatures of Owners of Obligations and Ownership of Obligations. 1. Any request, consent, revocation of consent or other instrument which the Resolution may require or permit to be signed and executed by the Owners of Obligations may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners of Obligations in Person or by their attorneys-in-fact appointed in writing or by such electronic or other means as may be recognized pursuant to applicable law. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the holding by any Person of the Obligations shall be sufficient for any purpose of the Resolution (except as otherwise therein expressly provided) if made in the following manner, or in any other manner satisfactory to the Trustee, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(a) The fact and date of the execution by any Owner or his attorney-in-fact of such instrument may be proved by the certificate of a signature guarantor, or of any notary public or other officer authorized to take acknowledgments of deeds, that the Person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership such certificate or affidavit shall also constitute sufficient proof of his authority;

(b) The ownership of Obligations and the amount, numbers and other identification, and date of holding the same shall be proved by the registry books.

2. Any request or consent by the Owner of any Obligation shall bind all future Owners of such Obligation in respect of anything done or suffered to be done by the Issuer or any Fiduciary in accordance therewith.

Section A-1103. Money Held for Particular Obligations. The amounts held by any Fiduciary for the payment of the interest, principal or Redemption Price due on any date with respect to particular Obligations shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Owners of Obligations entitled thereto.

Section A-1104. General Regulations as to Money and Funds. 1. Each of the Funds and Accounts established by the Resolution shall be a trust fund for the purposes thereof.

2. All amounts of the Issuer held or set aside under the Resolution shall, until paid over to the Fiduciaries or otherwise invested or applied as provided in the Resolution, be deposited by the Issuer in its name, on demand or time deposit, in such Banks as shall be selected by the Issuer. Any amounts held by any Fiduciary under the Resolution shall be deposited in such Banks as the Issuer may select. Any such deposit may be made in the commercial banking department of any Fiduciary which may honor checks on such deposit with the same force and effect as if it were not such Fiduciary, and without any duty to inquire into whether any withdrawals of such funds are in accordance with or might violate any of the provisions of the Resolution. Such deposits shall be continuously secured by the obligations of the United States of America or of the State, which obligations shall have a market value (exclusive of accrued interest) at all times at least equal to the amount of such deposits, which obligations shall be segregated in trust for the account of the Issuer, or shall be otherwise held as the Issuer and the depository may agree. Securities deposited with the Federal Reserve Bank to secure all trust accounts of a depository shall be deemed to comply with the foregoing requirement.

3. Unless otherwise specified in a Supplemental Resolution authorizing the issuance of Obligations, all money held by any Fiduciary, as such, may be deposited by such Fiduciary in its banking department on demand or, if and to the extent directed by the Issuer and acceptable to such Fiduciary, on time deposit, and all such deposits shall be continuously secured by the obligations of the United States of America or of the State which obligations shall have a market value (exclusive of accrued interest) at all times at least equal to the amount of such deposits. Securities deposited with the Federal Reserve Bank to secure all trust accounts of the Fiduciary shall be deemed to comply with the foregoing requirement. Such Fiduciary shall allow and credit

on such money such interest, if any, as it customarily allows upon similar funds of similar size and under similar conditions or as required by law.

Section A-1105. Preservation and Inspection of Documents. All documents received by a Fiduciary under the provisions of the Resolution shall be retained in its possession and shall be subject at all reasonable times to the inspection of the Issuer, any other Fiduciary, and any Owners of at least 5% aggregate principal amount of Obligations and their agents and their representatives, any of whom may make copies thereof.

Section A-1106. Parties Interest Herein. Nothing in the Resolution expressed or implied is intended or shall be construed to confer upon, or to give to any Person, other than the Issuer, the Fiduciaries, the Owners of Obligations and the holders of Parity Debt, any right, remedy or claim under or by reason of the Resolution or any covenant, condition or stipulation thereof, and all the covenants, stipulations, promises and agreements in the Resolution contained by and on behalf of the Issuer shall be for the sole and exclusive benefit of the Issuer, the Fiduciaries, the Owners of Obligations and the holders of Parity Debt.

Section A-1107. No Recourse on the Obligations. No recourse shall be had for the payment of the principal or Redemption Price of or interest on the Obligations or Parity Debt or for any claim based thereon or on the Resolution against any member, officer, or employee of the Issuer or any Person executing the Obligations.

Section A-1108. Successors and Assigns. Whenever in the Resolution the Issuer is named or referred to, it shall be deemed to include its successors and assigns and all the covenants and agreements in the Resolution contained by or on behalf of the Issuer shall bind and ensure to the benefit of its successors and assigns whether so expressed or not.

Section A-1109. Business Days. Except as otherwise provided pursuant to a Supplemental Resolution, if the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in the Resolution, is not a Business Day, such payment may be made or act performed or right exercised on the next succeeding Business Day with the same force and effect as if made or done on the nominal date provided in the Resolution and no interest shall accrue during the intervening period with respect to any payment so deferred.

Section A-1110. Severability of Invalid Provisions. If any term or provision of this Annex A or the Resolution shall be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever, and such term and provision shall be valid and enforced to the fullest extent permitted by law.

The invalidity of any one or more phrases, sentences, clauses or Sections of the Resolution shall not affect the remaining portions of the Resolution, or any part hereof, including any part of this Annex A.

Section A-1111. Exclusion of Obligations. Obligations owned or held by or for the account of the Issuer or any Related Entity shall not be deemed Outstanding for the purpose of any consent to be given or other action to be taken by or upon the direction of Owners of a specified portion of Obligations Outstanding, and the Issuer or any Related Entity shall not be entitled with respect to such Obligations to give any such consent or to take, or direct the taking of, any such action. At the time of any such consent or action, the Issuer shall furnish to the Trustee a certificate of an Authorized Officer, upon which the Trustee may conclusively rely, describing all Obligations so to be excluded.

Section A-1112. Governing Law. The Resolution, including this Annex A, shall be governed by and interpreted in accordance with internal laws of the State, without regard to conflict of law principles thereof.

SUPPLEMENTAL STANDARD RESOLUTION PROVISIONS

ARTICLE B-I

DEFINITIONS AND STATUTORY AUTHORITY

Section B-101. Definitions. Capitalized terms used but not otherwise defined in this Annex B shall have the meanings set forth in the Resolution, including Annex A appended thereto, to which this Annex B is appended. The following terms shall, for all purposes herein and (except as the context may otherwise require) in the Resolution to which this Annex B is appended, have the following meanings:

Accrued Second Lien Debt Service shall mean, as of any date of calculation, an amount equal to the sum of the amounts of accrued and unpaid Second Lien Obligation Debt Service with respect to all Second Lien Obligations and Second Lien Parity Debt, calculating the accrued Second Lien Obligation Debt Service with respect to Second Lien Obligations at an amount equal to the sum of (i) as estimated by an Authorized Officer, interest on the Second Lien Obligations and interest components of Second Lien Parity Debt accrued and unpaid and to accrue to the end of the then current calendar month, and (ii) Second Lien Obligation Principal Installments due and unpaid and that portion of the Second Lien Obligation Principal Installment for such Second Lien Obligations and Second Lien Parity Debt next due which would have accrued (if deemed to accrue in the manner set forth in the definition of Second Lien Obligation Debt Service) to the end of such calendar month. For purposes of calculating deposits relating to Second Lien Debt Service Fund, Second Lien Obligation Principal Installments shall not include amounts that an Authorized Officer has notified the Second Lien Trustee are to be paid from sources other than the State Portion of the Sales Tax Receipts, the City Portion of the Sales Tax Receipts and the Additional Revenues, nor shall Accrued Second Lien Debt Service include any amounts that, as certified by an Authorized Officer, have been set aside hereunder or otherwise in trust for the payment thereof.

Balloon Second Lien Obligations shall mean Second Lien Obligations which have been identified in a Certificate of Determination as a Balloon Second Lien Obligation. Such Certificate of Determination shall set forth the expected refinancing, including the expected ultimate final maturity and amortization schedule of the refinancing or refinancings of such Balloon Second Lien Obligation (including successor Balloon Obligations or Balloon Second Lien Obligations) and the Estimated Average Interest Rate for purposes of determining Calculated Second Lien Debt Service of such Balloon Second Lien Obligation.

Calculated Second Lien Debt Service for any period shall mean, as of any date of calculation and with respect to any Series of Second Lien Obligations or any Second Lien Parity Debt, the sum of Second Lien Obligation Debt Service for such period determined by the Issuer based on the following adjustments:

- (i) Interest on Variable Interest Rate Second Lien Obligations shall be based on the Second Lien Obligation Estimated Average Interest Rate applicable thereto.

(ii) Interest on any Second Lien Obligations or Second Lien Parity Debt in respect of which the Issuer has entered into a Qualified Second Lien Swap shall be based on:

(a) the fixed rate or rates of the Qualified Second Lien Swap if the Issuer has entered into what is generally referred to as a “floating-to-fixed” Qualified Second Lien Swap (where the Issuer pays a fixed rate and receives a floating rate); or

(b) the lower of (i) the Second Lien Obligation Estimated Average Interest Rate and (ii) the effective capped rate of any Second Lien Obligations or Second Lien Parity Debt if the Issuer has entered into a Qualified Second Lien Swap that is generally referred to as an “interest rate cap” (where the Issuer receives a payment if a variable rate exceeds a certain amount); or

(c) the Second Lien Obligation Estimated Average Interest Rate of the Qualified Second Lien Swap if the Issuer has entered into either what is generally referred to as a “fixed-to-floating” Qualified Second Lien Swap (where the Issuer pays a variable rate and receives a fixed rate) or a “floating-to-floating” Qualified Second Lien Swap (where the Issuer pays a variable rate and receives a different variable rate).

(iii) With respect to Second Lien Put Obligations and Balloon Second Lien Obligations of a Series (i) Principal Installments shall be deemed to amortize over a 30-year period from their date of issuance based on substantially level debt service as estimated by the Issuer, and (ii) interest shall be based on the actual interest rate or the Estimated Average Interest Rate, as applicable, or for both (i) and (ii) above, as otherwise set forth in a Supplemental Resolution or Certificate of Determination with respect to the issuance of such Second Lien Obligations.

(iv) If the Issuer has irrevocably deposited Authorized Investments or money with the Second Lien Trustee (or otherwise in trust) for the payment of any portion of Second Lien Obligation Debt Service, the expected future cash flow from such Authorized Investments and money shall be deducted from Second Lien Obligation Debt Service.

(v) If the Issuer has, at any time, irrevocably called for redemption one or more Series of Second Lien Obligations, including pursuant to a covenant to apply any portion of the Second Lien Obligations Trust Estate to redeem Second Lien Obligations or Second Lien Parity Debt (which particular Second Lien Obligations or Second Lien Parity Debt need not be specifically identified in advance, except as to interest rate and maturity), the Issuer shall take into account such redemption for purposes of determining Calculated Second Lien Debt Service.

(vi) With respect to Parity Reimbursement Second Lien Obligations, accelerated payments of principal shall only be taken into account if, at the time of calculation, such amounts are payable due to a draw under a credit or liquidity facility.

Capital Appreciation Second Lien Obligations shall mean any Second Lien Obligations denominated as such and issued as to which interest is payable only at the maturity or prior redemption of such Second Lien Obligations. Except as otherwise provided by Supplemental Resolution, for the purposes of (i) receiving payment of the Second Lien Obligation Redemption Price if Capital Appreciation Second Lien Obligations are redeemed prior to maturity, (ii) computing the principal amount of Second Lien Obligations held by the registered owner of a Capital Appreciation Second Lien Obligations in giving to the Issuer or the Second Lien Trustee any notice, consent, request, or demand pursuant to the Resolution for any purpose whatsoever or (iii) computing Second Lien Obligation Debt Service, the principal amount of a Capital Appreciation Second Lien Obligations shall be deemed to be its Second Lien Obligation Accreted Value (which in the case of clause (ii) may be the Second Lien Obligation Accreted Value as of the immediately preceding Second Lien Obligation Valuation Date).

Certificate of Determination, when used with reference to Second Lien Obligations or Second Lien Parity Debt, shall mean a certificate of an Authorized Officer of the Issuer fixing terms, conditions and other details of Second Lien Obligations, Second Lien Parity Debt, Second Lien Obligation Anticipation Notes or Second Lien Obligation Credit Facilities or such other matters in accordance with the delegation of power to do so under the Resolution or a Supplemental Resolution.

4. The Issuer may secure such Second Lien Obligation Credit Facility by an agreement providing for the purchase of the Second Lien Obligations secured thereby with such adjustments to the rate of interest, method of determining interest, maturity, or redemption provisions as specified by the Issuer in the applicable Supplemental Resolution. The Issuer may also in an agreement with the issuer of such Second Lien Obligation Credit Facility agree to directly reimburse such issuer for amounts paid under the terms of such Second Lien Obligation Credit Facility (together with interest thereon, the “**Reimbursement Second Lien Obligations**”); *provided, however*, that no amounts shall be payable by the Issuer under a Reimbursement Second Lien Obligation for purposes of the Resolution, until amounts are paid under such Second Lien Obligation Credit Facility by the issuer thereof as determined by Supplemental Resolution, any such Reimbursement Second Lien Obligations, which may include interest calculated at a rate higher than the interest rate on the related Second Lien Obligations and accelerated principal amortization, (i) may be secured by a pledge of, and a lien on, the Second Lien Obligations Trust Estate on a parity with the lien created by Section 501 of the Resolution to secure the Second Lien Obligations (a “**Parity Reimbursement Second Lien Obligation**”), but only to the extent that (prior to any acceleration of all Second Lien Obligations, if permitted) any principal amortization requirements are *either* (A) commensurate with the amortization requirements for such related Second Lien Obligations, without acceleration or (B) accelerated to no greater extent than to require repayment in equal principal installments over 5 or more years, or (ii) may constitute an Other Subordinated Contract Obligation, as determined by the Issuer. Parity Reimbursement Second Lien Obligations shall not include any payments (other than interest calculated at a higher rate pursuant to a Second Lien Obligation Credit Facility) (x) of any fees or expenses, (y) pursuant to any indemnification provisions or (z) pursuant to term-loan or other principal amortization requirements in reimbursement of any such advance that are more accelerated than permitted by clauses (A) and (B) of the preceding sentence, and any such payments of the items specified in clauses (x), (y) or (z) shall constitute Subordinated Contract Obligations.

5. Any such Second Lien Obligation Credit Facility shall be for the benefit of and secure such Second Lien Obligations or portion thereof as specified in any applicable Supplemental Resolution.

6. In connection with the issuance of any Second Lien Obligations or at any time thereafter so long as Second Lien Obligations remain Outstanding, the Issuer may, to the extent permitted pursuant to law, from time to time enter into Qualified Second Lien Swaps. The Issuer’s obligation to pay any amount under any Qualified Second Lien Swap may be secured by

a pledge of, and a lien on the Second Lien Obligations Trust Estate on a parity with the lien created by Section 501 of the Resolution to secure the Second Lien Obligations (a “**Parity Swap Second Lien Obligation**”), or may constitute a Second Lien Parity Debt, as determined by the Issuer. Parity Swap Second Lien Obligations shall not include any payments of (x) of any fees or expenses, (y) pursuant to any indemnification provisions or (z) any termination payments or other obligations to a counterparty to a Qualified Second Lien Swap, which payments shall be Subordinated Contract Obligations.

7. Second Lien Parity Debt shall not be a debt of the State or the City and neither the State nor the City shall be liable thereon, nor shall Second Lien Parity Debt be payable out of any funds other than those of the Issuer pledged therefor pursuant to the Resolution.

8. Except to the extent that an Authorized Officer directs that such amounts be deposited in any other Fund or Account pledged to the payment of Second Lien Obligations, any amounts paid to the Issuer under a Qualified Second Lien Swap shall be deposited in the Second Lien Obligations Debt Service Fund.

9. To the extent applicable and not readily apparent with respect any Second Lien Parity Debt, either the terms of such Second Lien Parity Debt shall specify (or an Authorized Officer shall specify in writing) the interest and principal components of or the scheduled payments corresponding to principal and interest under such Second Lien Parity Debt or the manner of determining the foregoing.

Section B-203. Second Lien Obligation Anticipation Notes. Whenever the Issuer shall have, by Supplemental Resolution, authorized the issuance of a Series of Second Lien Obligations, the Issuer may by resolution authorize the issuance of Second Lien Obligation Anticipation Notes in anticipation of the issuance of such authorized Series of Second Lien Obligations, in a principal amount not exceeding the principal amount of the Second Lien Obligations of such Series so authorized. The principal of and premium, if any, and interest on such Second Lien Obligation Anticipation Notes and any renewals of such Second Lien Obligation Anticipation Notes shall be payable only from any or all of the following items designated by the Issuer at or prior to issuance of any such series of Second Lien Obligation Anticipation Notes: (i) the proceeds of any renewals of such Second Lien Obligation Anticipation Notes issued to repay such Second Lien Obligation Anticipation Notes, (ii) the proceeds of the sale of the Series of Second Lien Obligations in anticipation of which such Second Lien Obligation Anticipation Notes are issued, (iii) amounts available to pay Other Subordinated Obligations, or (iv) any other money available therefor and not pledged under the Resolution. Such proceeds and other amounts set forth in clauses (i), (ii), (iii) and (iv) may be pledged for the payment of the principal of and premium, if any, and interest on such Second Lien Obligation Anticipation Notes, and any such pledge of the items set forth in clauses (i) and (ii) shall have priority over any other pledge created by the Resolution, including Section 501. In any case, such Second Lien Obligation Anticipation Notes shall be retired or provision shall be made for their retirement not later than the date of authentication and delivery of the Series of Second Lien Obligations in anticipation of which they are issued. The proceeds of the sale of Second Lien Obligation Anticipation Notes other than renewals thereof shall be applied to the purposes for which the Second Lien Obligations in anticipation of which such Second Lien Obligation Anticipation Notes are authorized and shall be deposited in the appropriate Fund or

Account established by the Resolution for such purposes or, if so provided in the resolution authorizing renewals of Second Lien Obligation Anticipation Notes issued to pay outstanding Second Lien Obligation Anticipation Notes, applied directly to such payment. Investment earnings from any amounts on deposit in any Fund or Account under the Resolution representing the proceeds of any Second Lien Obligation Anticipation Notes shall be applied in the manner set forth in the resolution authorizing such Second Lien Obligation Anticipation Notes.

ARTICLE B-III

GENERAL TERMS AND PROVISIONS OF SECOND LIEN OBLIGATIONS

Except as otherwise provided by Supplemental Resolution, the Second Lien Obligations and Second Lien Parity Debt shall be subject to the terms and provisions of the Standard Resolutions Provisions and these Supplemental Standard Resolution Provisions.

Section B-301. Medium of Payment; Form and Date.

1. The Second Lien Obligations and Second Lien Parity Debt shall be payable, with respect to interest, principal and Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts (or to the extent permitted by law, in any other coin or currency authorized pursuant to a Supplemental Resolution for Second Lien Obligations and related Second Lien Parity Debt).

2. Second Lien Obligations shall be issued in the form of fully registered Second Lien Obligations without coupons. Second Lien Obligations, the certificate of authentication, if any, and the form of assignment shall be in substantially the form provided for in Exhibit Two of the Resolution with such appropriate variations, omissions, substitutions and insertions as are permitted or required hereby or thereby or are required by law, and may have such letters, numbers or other marks of identification and such legends and endorsements placed thereon as may be required to comply with any applicable laws or rules or regulations, or as may, consistent herewith, be determined by the officers executing such Second Lien Obligations, as evidenced by their execution of the Second Lien Obligations. Any portion of the text of any Second Lien Obligations may be set forth on the reverse thereof, with an appropriate reference thereto on the face of such security evidencing Second Lien Obligations, or as multiple pages (with or without such a reference). Second Lien Obligations may be typewritten, printed, engraved, lithographed or otherwise produced.

3. Second Lien Obligations shall be dated, and shall bear or not bear interest, as provided in the Supplemental Resolution authorizing such Second Lien Obligations.

Section B-302. Legends. Second Lien Obligations may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of the Resolution as may be necessary or desirable to comply with custom, the rules of any securities exchange or commission or brokerage board, or otherwise, as may be determined by the Issuer.

Section B-303. Execution and Authentication.

1. The Second Lien Obligations shall be executed in the name of the Issuer by the manual or facsimile signature of an Authorized Officer or in such other manner as may be required by law or specified in a Supplemental Resolution. In case any of the officers who shall have signed any of the Second Lien Obligations shall cease to be such officer before the Second Lien Obligations so signed shall have been actually delivered, such Second Lien Obligations may, nevertheless, be delivered as herein provided, and may be issued as if the Persons who signed such Second Lien Obligations had not ceased to hold such offices. Any Second Lien Obligations may be signed on behalf of the Issuer by such Persons as at the actual time of the execution of such Second Lien Obligations shall be duly authorized or hold the proper office in the Issuer, although at the date of the Second Lien Obligations such Persons may not have been so authorized or have held such office.

2. Second Lien Obligations of each Series shall bear thereon a certificate of authentication, executed manually by the Second Lien Trustee. Only such Second Lien Obligations as shall bear thereon such certificate of authentication shall be entitled to any right or benefit under the Resolution and no Second Lien Obligations shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Second Lien Trustee. Such certificate of the Second Lien Trustee upon any Second Lien Obligations executed on behalf of the Issuer shall be conclusive evidence that the Second Lien Obligations so authenticated has been duly authenticated and delivered under the Resolution and that the Second Lien Owner thereof is entitled to the benefits of the Resolution.

Section B-304. Interchangeability of Second Lien Obligations. Second Lien Obligations, upon surrender thereof at the office of the Second Lien Registrar with a written instrument of transfer satisfactory to the Second Lien Registrar, duly executed by the Second Lien Owner or his duly authorized attorney, may, at the option of such Second Lien Owner, be exchanged for an equal aggregate principal amount of Second Lien Obligations of the same Series, maturity and interest rate of any other authorized denomination.

Section B-305. Negotiability, Transfer and Registry. All the Second Lien Obligations issued under the Resolution shall be negotiable, subject to the provisions for registration and registration of transfer contained in the Resolution and in the Second Lien Obligations. So long as any of the Second Lien Obligations shall remain Outstanding, the Issuer shall maintain and keep, at the office of the Second Lien Registrar, books for the registration and registration of transfer of Second Lien Obligations; and, upon presentation thereof for such purpose at said office and under such reasonable regulations as it or the Second Lien Registrar may prescribe, the Issuer shall register or cause to be registered therein, and permit to be transferred thereon, the registration of any Second Lien Obligations entitled to registration or registration of transfer. So long as any of the Second Lien Obligations remain Outstanding, the Issuer shall make all necessary provision to permit the exchange of Second Lien Obligations at the office of the Second Lien Registrar.

Section B-306. Transfer of Second Lien Obligations.

1. The transfer of each Second Lien Obligations shall be registerable only upon the books of the Issuer, which shall be kept by the Second Lien Registrar, by the Second Lien Owner thereof in person or by his attorney authorized in writing, upon surrender thereof together with a

written instrument of transfer satisfactory to the Second Lien Registrar executed by the Second Lien Owner or his authorized attorney. Upon the registration of transfer of any such Second Lien Obligations, the Issuer shall issue in the name of the transferee a new Second Lien Obligation of the same aggregate principal amount, Series, maturity and interest rate as the surrendered Second Lien Obligation.

2. The Issuer and each Fiduciary may deem and treat the Person in whose name any Outstanding Second Lien Obligations shall be registered upon the books of the Issuer as the absolute owner of such Second Lien Obligations, whether such Second Lien Obligations shall be overdue or not, for the purpose of receiving payment of or on account of the principal and Second Lien Obligation Redemption Price, if any, of and interest on such Second Lien Obligations and for all other purposes, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Second Lien Obligations to the extent of the sum or sums so paid, and neither the Issuer nor any Fiduciary shall be affected by any notice to the contrary. The Issuer agrees to indemnify and save each Fiduciary harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, unless acting in bad faith or with negligence under the Resolution, in so treating such registered owner.

Section B-307. Regulations With Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging Second Lien Obligations or registering the transfer of Second Lien Obligations is exercised, the Issuer shall execute and the Second Lien Registrar shall deliver Second Lien Obligations in accordance with the provisions of the Resolution. All Second Lien Obligations surrendered in any such exchanges or registrations of transfer shall forthwith be canceled by the Second Lien Registrar. For every such exchange or registration of transfer of Second Lien Obligations, whether temporary or definitive, the Issuer or the Second Lien Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer.

Section B-308. Second Lien Obligations Mutilated, Destroyed, Stolen or Lost. In case any Second Lien Obligations shall become mutilated or be destroyed, stolen or lost, the Issuer shall execute, and thereupon the Second Lien Trustee and Second Lien Registrar shall deliver, a new Second Lien Obligations of like tenor, Series, maturity, interest rate and principal amount as the Second Lien Obligations so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Second Lien Obligations, upon surrender and cancellation of such mutilated Second Lien Obligations, or in lieu of and substitution for the Second Lien Obligations destroyed, stolen or lost, upon filing with the Second Lien Trustee and Second Lien Registrar evidence satisfactory to the Issuer and the Second Lien Trustee and Second Lien Registrar that such Second Lien Obligations has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Issuer and the Second Lien Trustee and Second Lien Registrar with indemnity satisfactory to them and complying with such other reasonable regulations as the Issuer and the Second Lien Trustee and Second Lien Registrar may prescribe and paying such expenses as the Issuer and Second Lien Trustee and Second Lien Registrar may incur. All Second Lien Obligations so surrendered to the Second Lien Registrar shall be canceled by it. If any such Second Lien Obligations shall have matured, or if such Second Lien Obligations shall have been called for redemption or a redemption date pertaining thereto shall have passed, instead of issuing a new Second Lien Obligation the Issuer may cause the same to be paid

without surrender thereof upon indemnity satisfactory to the Issuer and the Second Lien Trustee. Any such new Second Lien Obligations issued pursuant to this Section in substitution for Second Lien Obligations alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the Issuer, whether or not the Second Lien Obligations so alleged to be destroyed, stolen or lost be at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Second Lien Obligations issued under the Resolution, in any money or securities held by the Issuer or the Fiduciary for the benefit of the Second Lien Owners.

Section B-309. Book-Entry-Only System. The Issuer may employ a book-entry-only system of registration with respect to any Second Lien Obligations and may utilize the procedures regarding such registration set forth in this Section B-309, as such procedures may be modified or superseded pursuant to the Supplemental Resolution authorizing such Second Lien Obligations. Any provisions of the Resolution inconsistent with book-entry-only Second Lien Obligations shall not be applicable to such book-entry-only Second Lien Obligations.

Any Authorized Officer is hereby authorized to take all actions required for each Series of Second Lien Obligations to be eligible under the rules and regulations of The Depository Trust Company (“DTC”), 55 Water Street, New York, New York, for investment and trading as uncertificated securities. DTC is hereby appointed as the initial Securities Depository for the obligations, with Cede & Co., a nominee thereof, being the initial registered owner of the Second Lien Obligations. In the event that any Securities Depository resigns or is removed, any Authorized Officer may select a substitute Securities Depository. The Issuer and any Fiduciary, and any agent of the Issuer or any Fiduciary, may treat any Securities Depository in whose name any Second Lien Obligation is registered as the owner of such Second Lien Obligations for all purposes under the Resolution. For so long as the Securities Depository is the registered owner of the Second Lien Obligations, procedures with respect to the transmission of notices and the transfer of ownership of, redemption of and payment of principal or Second Lien Obligation Redemption Price, if any, of and interest on such Second Lien Obligations so held shall be in accordance with arrangements among the Second Lien Trustee, the Issuer and the Securities Depository.

So long as the Second Lien Obligations are registered in the name of the Securities Depository, the Issuer and the Second Lien Trustee shall have no responsibility or obligation to any Securities Depository participant, indirect participant or beneficial owner of the Second Lien Obligations. Without limiting the immediately preceding sentence, the Issuer and the Second Lien Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of any Securities Depository or any Securities Depository participant or indirect participant with respect to any beneficial ownership interest in the Second Lien Obligations, (ii) the delivery to any Securities Depository participant, indirect participant, beneficial owner or any other person, other than the Securities Depository, of any notice with respect to the Second Lien Obligations, including any notice of redemption or tender, or (iii) the payment to any Securities Depository participant, indirect participant, beneficial owner or any other person, other than the Securities Depository, of any amount with respect to the principal of or Second Lien Obligation Redemption Price or interest on the Second Lien Obligations.

The Issuer, in its sole discretion and without the consent of any other person, may terminate the services of any Securities Depository with respect to any Series of Second Lien Obligations. Notice of such termination shall be given by the Issuer to the Second Lien Trustee prior to or simultaneously with such termination. In the event the book-entry only system is discontinued with respect to the Second Lien Obligations, principal and Redemption Price of and interest on the Second Lien Obligations shall be paid as provided in the Resolution.

Consistent with DTC book-entry provisions, one or more typewritten certificates shall be prepared for each maturity of the Second Lien Obligations of a Series and registered in the name of the Securities Depository. There shall be no physical distribution of bond or other certificates to beneficial owners of such Second Lien Obligations. In the event that the Second Lien Obligations do not qualify to be held by the Securities Depository or that either the Issuer determines to discontinue the book-entry only system or DTC determines to discontinue providing its service with respect to the Second Lien Obligations and there is no successor Securities Depository, the bond or other certificates shall be delivered in the form required by the Resolution.

Unless otherwise directed by an Authorized Officer, "CUSIP" or other recognized identification numbers ("CUSIP numbers") will be imprinted on the Second Lien Obligations, but such numbers shall not constitute a part of the contract evidenced by the Second Lien Obligations and any error or omission with respect thereto shall not constitute cause for refusal of any purchaser to accept delivery of and pay for the Second Lien Obligations. As a convenience to the Second Lien Owners, the Issuer and the Second Lien Trustee may use such CUSIP numbers in any notices to the Second Lien Owners, including any notices of redemption of the Second Lien Obligations. Failure on the part of the Issuer or the Second Lien Trustee to use such CUSIP numbers in any notice to Second Lien Owners shall not constitute a Second Lien Obligations Event of Default or any similar violation of the Issuer's contract with such Second Lien Owners. The Issuer will promptly notify the Second Lien Trustee of any change in the CUSIP numbers.

ARTICLE B-IV

REDEMPTION AND TENDER OF SECOND LIEN OBLIGATIONS

Section B-401. Privilege of Redemption and Second Lien Obligation Redemption Price. Except as otherwise provided in the Resolution or a Supplemental Resolution, Second Lien Obligations subject to redemption pursuant to a Supplemental Resolution shall be subject to redemption only in accordance with this Article B-IV.

Second Lien Obligations subject to redemption prior to maturity pursuant to a Supplemental Resolution shall be redeemable, upon written notice as provided in this Article B-IV, at such times, at such Second Lien Obligation Redemption Prices and upon such terms as may be specified in the Supplemental Resolution authorizing such Second Lien Obligations.

Section B-402. Redemption at the Election of the Issuer; Tender to Related Entities. In the case of any redemption of Second Lien Obligations at the election of the Issuer,

the Issuer shall give written notice to the Second Lien Trustee of its election so to redeem, of the redemption date, of the Series, of the principal amounts of the Second Lien Obligations of each maturity and interest rate of such Series to be redeemed (which Series, maturities, interest rates and principal amounts thereof to be redeemed shall be determined by the Issuer in its sole discretion, subject to any limitations with respect thereto contained in any Supplemental Resolution). Such notice shall be given at least 45 days prior to the redemption date or such shorter period as may be provided in the Supplemental Resolution or as shall be acceptable to the Second Lien Trustee. In the event notice of redemption shall have been given as in Section B-405 provided but subject to the second paragraph of Section B-405, the Issuer shall on or prior to the redemption date cause to be paid out to the appropriate Second Lien Paying Agent or Second Lien Paying Agents out of money available therefor an amount in cash which, in addition to other money, if any, available therefor held by such Second Lien Paying Agent or Second Lien Paying Agents, will be sufficient to redeem on the redemption date at the Second Lien Obligation Redemption Price thereof, all of the Second Lien Obligations to be redeemed.

The Issuer may, in its sole discretion, purchase or grant to any Related Entity the option to purchase, at any time and from time to time, any Second Lien Obligations which are redeemable at the election of the Issuer at a purchase price equal to the redemption price therefor. To exercise any such option, the Issuer or the Related Entity shall give the Second Lien Trustee a written request exercising such option within the time periods specified in the related Supplemental Resolution as though such written request were a written request of the related Issuer for redemption, and the Second Lien Trustee shall thereupon give the Second Lien Owners of the Second Lien Obligations to be purchased notice of such purchase in the manner specified in the related Supplemental Resolution as though such purchase were a redemption. On the date fixed for purchase pursuant to any exercise of such an option, the Issuer or the Related Entity shall pay the purchase price of the Second Lien Obligations then being purchased to the Second Lien Trustee in immediately available funds, and the Second Lien Trustee shall pay the same to the sellers of such Second Lien Obligations against delivery thereof. Following such purchase, the Second Lien Trustee shall cause such Second Lien Obligations to be registered in the name of the Issuer or the Related Entity or its nominee and shall deliver them to the Issuer, the Related Entity or its nominee. Except to the extent otherwise directed by an Authorized Officer, no purchase of Second Lien Obligations pursuant to such an option shall operate to extinguish the indebtedness of the Issuer evidenced thereby. Any such option to purchase by a Related Entity either shall be conditioned on the provision of sufficient money therefor by the Related Entity or shall be an obligation of the Issuer in the event that the Related Entity does not provide sufficient money therefor.

Section B-403. Redemption Otherwise Than at the Issuer's Election. Whenever by the terms of the Resolution Second Lien Obligations are required to be redeemed otherwise than at the election of the Issuer, the Second Lien Trustee shall select the Second Lien Obligations to be redeemed, give the notice of redemption and pay out of money available therefor the Second Lien Obligation Redemption Price to the appropriate Second Lien Paying Agents in accordance with the terms of this Article B-IV. The Second Lien Trustee shall have no liability in making such selection.

Section B-404. Selection of Second Lien Obligations to Be Redeemed. In the event of redemption of less than all the Outstanding Second Lien Obligations of like tenor,

Series, maturity and interest rate, the Second Lien Trustee shall select, as directed by the Issuer (as to the timing of such selection, manner of such selection or otherwise) or otherwise in such manner as the Second Lien Trustee in its discretion shall deem appropriate and fair, the numbers of the Second Lien Obligations to be redeemed and portions of any thereof to be redeemed in part. Second Lien Obligations of denominations equal or less than the minimum authorized denomination thereof may be redeemed only as a whole. Second Lien Obligations of denominations of more than the minimum authorized denomination thereof may be redeemed either as a whole or in part (which, if redeemed in part, must assure that the portion of the Second Lien Obligations which is not redeemed is an authorized denomination). For the purposes of this Section B-404, Second Lien Obligations, or portions thereof, theretofore selected for redemption shall not be deemed Outstanding.

Section B-405. Notice of Redemption. When the Second Lien Trustee shall receive notice from the Issuer of its election to redeem Second Lien Obligations pursuant to Section B-402, and when redemption of Second Lien Obligations is required by the Resolution pursuant to Section B-403, the Second Lien Trustee shall give notice, in the name of the Issuer, of the redemption of such Second Lien Obligations, which notice shall specify the Series (including CUSIP numbers), maturities and, if any maturity shall include Second Lien Obligations bearing different interest rates and all Second Lien Obligations of such maturity are not being redeemed, the interest rate of the Second Lien Obligations to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Second Lien Obligations of any like tenor, Series, maturity and interest rate are to be redeemed, the letters and numbers or other distinguishing marks of such Second Lien Obligations so to be redeemed, and, in the case of Second Lien Obligations to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed, and, if applicable, that such notice is conditional and the conditions that must be satisfied. Such notice shall further state that on such date there shall become due and payable upon the Second Lien Obligations to be redeemed the Second Lien Obligation Redemption Price thereof, or the Second Lien Obligation Redemption Price of the specified portions of the principal thereof in the case of Second Lien Obligations to be redeemed in part only, together with interest accrued to the redemption date; and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be given not less than 30 days nor more than 45 days, or for such other period as may be specified in a Supplemental Resolution authorizing a particular Series, before the redemption date, to the Second Lien Owners of any Second Lien Obligations or portions of Second Lien Obligations which are to be redeemed. Failure so to give any such notice to any particular Owner shall not affect the validity of the proceedings for the redemption of Second Lien Obligations not owned by such Second Lien Owner and failure of any Second Lien Owner to receive such notice shall not affect the validity of the proposed redemption of Second Lien Obligations. The Issuer may provide notices of redemption at such additional times as it may determine necessary or appropriate.

Any notice of optional redemption given pursuant to this Section may state that it is conditional upon receipt by the Second Lien Trustee of money sufficient to pay the Second Lien Obligation Redemption Price of such Second Lien Obligations or upon the satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before payment of such Second Lien

Obligation Redemption Price if any such condition so specified is not satisfied or if any such other event occurs. Notice of such rescission shall be given by the Second Lien Trustee to affected Second Lien Owners as promptly as practicable upon the failure of such condition or the occurrence of such other event.

Unless otherwise provided by Supplemental Resolution, notices of redemption shall be sent by first class mail, postage prepaid.

Notice of redemption of any Series of Second Lien Obligations shall also be sent by the Second Lien Trustee to such additional Persons as may be specified in the Supplemental Resolution authorizing such Series.

Section B-406. Payment of Redeemed Second Lien Obligations. Notice having been given in the manner provided in Section B-405, the Second Lien Obligations or portions thereof so called for redemption shall, subject to the second paragraph of Section B-405, become due and payable on the redemption date so designated at the Second Lien Obligation Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender thereof at the office specified in such notice, such Second Lien Obligations, or portions thereof, shall be paid at the Second Lien Obligation Redemption Price plus interest accrued and unpaid to the redemption date. If there shall be called for redemption less than all of a Second Lien Obligation, the Issuer shall execute and cause to be delivered, upon the surrender of such Second Lien Obligation, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Second Lien Obligation so surrendered, at the option of the owner thereof, Second Lien Obligations of like tenor, Series, maturity and interest rate in any of the authorized denominations. If, on the redemption date, money for the redemption of all the Second Lien Obligations or portions thereof of any like tenor, Series, maturity and interest rate to be redeemed, together with interest to the redemption date, shall be held by the Second Lien Paying Agents so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date interest on the Second Lien Obligations or portions thereof of such Series, maturity and interest rate so called for redemption shall cease to accrue. If said money shall not be so available on the redemption date, such Second Lien Obligations or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

ARTICLE B-V

SECOND LIEN SINKING FUND INSTALLMENTS; CANCELLATION AND DISPOSITION OF SECOND LIEN OBLIGATIONS

Section B-501. Satisfaction of Second Lien Sinking Fund Installments.

1. Any amount accumulated in the Second Lien Debt Service Fund in respect of and up to the unsatisfied balance of each Second Lien Sinking Fund Installment shall be applied by the Second Lien Trustee to either (a) or (b) below as directed by the Issuer (together with amounts accumulated in the Second Lien Debt Service Fund with respect to interest on the Series of Second Lien Obligations for which such Second Lien Sinking Fund Installment was

established) if so directed by an Authorized Officer prior to the 45th day preceding the due date of such Second Lien Sinking Fund Installment as follows:

(a) to the purchase of Second Lien Obligations for which such Second Lien Sinking Fund Installment was established, at prices (including any brokerage and other charges) not exceeding the principal amount of such Second Lien Obligations plus unpaid interest accrued to the date of purchase, such purchases to be made in such manner as the Issuer shall direct; or

(b) to the redemption of Second Lien Obligations for which such Second Lien Sinking Fund Installment was established, if then redeemable by their terms at the prices referred to in clause (a) of this subsection 1 of this Section B-501.

All Second Lien Obligations so purchased or redeemed shall be canceled by the Second Lien Trustee prior to the 45th day preceding the due date of such Second Lien Sinking Fund Installment.

2. Upon the purchase or redemption of any Second Lien Obligations pursuant to subsection 1 of this Section, an amount equal to the principal amount of the Second Lien Obligations so purchased or redeemed shall be credited toward the next Second Lien Sinking Fund Installment thereafter to become due with respect to the Second Lien Obligations of such maturity and the amount of any excess of the amounts so credited over the amount of such Second Lien Sinking Fund Installment shall be credited by the Second Lien Trustee against future Second Lien Sinking Fund Installments for such Series as specified by an Authorized Officer. Prior to the purchase or redemption of such Second Lien Obligations, the Issuer shall deliver to the Second Lien Paying Agent and to the Second Lien Trustee a certificate of an Authorized Officer specifying (i) the principal amount, Series, maturity, interest rate and numbers of the Second Lien Obligations so to be purchased or redeemed, (ii) the date and Series of the Second Lien Sinking Fund Installment in satisfaction of which such Second Lien Obligations are so to be purchased or redeemed, (iii) the aggregate principal amount of the Second Lien Obligations so to be purchased or redeemed, and (iv) the unsatisfied balance of each such Second Lien Sinking Fund Installment after giving effect to the delivery of such Second Lien Obligations.

3. In satisfaction, in whole or in part, of any Second Lien Sinking Fund Installment, the Issuer may deliver to the Second Lien Trustee at least 45 days prior to the date of such Second Lien Sinking Fund Installment, for cancellation, Second Lien Obligations acquired by purchase or redemption, except Second Lien Obligations acquired by purchase or redemption pursuant to the provisions of subsection 1 of this Section, of the maturity and interest rate entitled to such Second Lien Sinking Fund Installment. All Second Lien Obligations so delivered to the Second Lien Trustee in satisfaction of a Second Lien Sinking Fund Installment shall reduce the amount thereof by the amount of the aggregate principal amount of such Second Lien Obligations. Concurrently with such delivery of such Second Lien Obligations the Issuer shall deliver to the Second Lien Paying Agent and to the Second Lien Trustee a certificate of an Authorized Officer, specifying (i) the principal amount, Series, maturity, interest rate and numbers of the Second Lien Obligations so delivered, (ii) the date and Series of the Second Lien Sinking Fund Installment in satisfaction of which such Second Lien Obligations are so delivered,

(iii) the aggregate principal amount of the Second Lien Obligations so delivered, and (iv) the unsatisfied balance of each such Second Lien Sinking Fund Installment after giving effect to the delivery of such Second Lien Obligations.

4. The Second Lien Trustee shall, upon receipt of the notice and in the manner required by the Resolution, call for redemption, on the date of each Second Lien Sinking Fund Installment falling due prior to maturity, such principal amount of Second Lien Obligations of the Series, interest rate and maturity entitled to such Second Lien Sinking Fund Installment as is required to exhaust the unsatisfied balance of such Second Lien Sinking Fund Installment.

Section B-502. Cancellation and Disposition of Second Lien Obligations. All Second Lien Obligations that have been paid (whether at maturity or by acceleration, call for redemption, purchase by the Issuer and presentation for cancellation, or otherwise) or delivered to the Second Lien Trustee for cancellation shall be canceled and not reissued, except as otherwise provided in a Supplemental Resolution with respect to Second Lien Put Obligations. Unless otherwise directed by the Issuer, the Second Lien Trustee shall treat canceled Second Lien Obligations in accordance with its document retention policies. Notwithstanding any other provision of the Resolution, the Issuer may in its sole discretion purchase any Second Lien Obligations of the Issuer or any Related Entity for investment purposes and any such Second Lien Obligations shall remain outstanding unless and until presented for cancellation.

ARTICLE B-VI

PARTICULAR COVENANTS OF THE ISSUER

The Issuer covenants and agrees with the Second Lien Trustee and the Second Lien Owners as follows:

Section B-601. Payment of Second Lien Obligations and Second Lien Parity Debt. The Issuer shall duly and punctually pay or cause to be paid from the Second Lien Obligations Trust Estate as provided in the Resolution the principal or Second Lien Obligation Redemption Price, if any, of every Second Lien Obligations and the interest thereon and all Second Lien Parity Debt, at the dates and places, and in the manner provided in the Second Lien Obligations and Second Lien Parity Debt, according to the true intent and meaning thereof.

Section B-602. Extension of Payment of Second Lien Obligations. The Issuer shall not directly or indirectly extend or assent to the extension of the maturity of any of the Second Lien Obligations or the time of payments of any claims for interest by the purchase or funding of such Second Lien Obligations or claims for interest or by any other arrangement, and in case the maturity of any of the Second Lien Obligations or the time for payment of such claims for interest shall be extended, such Second Lien Obligations or claims for interest shall not be entitled, in case of any Second Lien Obligations Event of Default, to the benefit of the Resolution or to any payment out of the Second Lien Obligations Trust Estate, except subject to the prior payment of the principal of all Second Lien Obligations Outstanding the maturity of which has not been extended and of such portion of the accrued interest on the Second Lien Obligations as shall not be represented by such extended claims for interest. Nothing herein shall be deemed to limit the right of the Issuer (i) to issue refunding Second Lien Obligations as

provided in the Resolution and such issuance shall not be deemed to constitute an extension of maturity of the Second Lien Obligations, (ii) to issue Second Lien Put Obligations and neither such issuance nor the operation of the provisions of such Second Lien Put Obligations shall be deemed to constitute an extension of maturity of the Second Lien Obligations, (iii) to apply any amount in any Fund held under the Resolution for such purpose to the purchase or redemption of Second Lien Obligations or (iv) to issue securities having a maturity date, including any extension of maturity contemplated at the time of issuance, of no more than 270 days from the issue date.

Section B-603. Offices for Servicing Second Lien Obligations. Except as otherwise provided in the Resolution, the Issuer shall at all times maintain one or more offices or agencies in the City and State where Second Lien Obligations may be presented for payment, registration, transfer or exchange, and where notices, demands and other documents may be served upon the Issuer in respect of the Second Lien Obligations or of the Resolution. The Issuer may appoint the Second Lien Trustee or any other Fiduciary as its agent to maintain such office or agency for the payment, redemption, registration, transfer or exchange of Second Lien Obligations and for the service upon the Issuer of such notices, demands and other documents. The Issuer may also maintain one or more offices or agencies outside of the City or State for the same purposes.

Section B-604. Further Assurance. To the extent permitted by law, the Issuer from time to time shall make, do, execute, adopt, acknowledge and deliver, and take all and every such further acts, deeds, conveyances, assignments, resolutions, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights and interests in the Second Lien Obligations Trust Estate or assigned, or intended so to be, or which the Issuer may become bound to pledge or assign.

Section B-605. Accounts and Reports.

1. The Issuer shall keep proper books of record and account of its operations. Such books of account are to be audited at least annually by independent certified public accountants experienced in governmental accounting selected by the Issuer. A copy of each audit report, annual balance sheet and income and expense statement shall be filed with the Second Lien Trustee and sent to any Second Lien Owner filing with the Issuer a written request therefor.

2. The Issuer shall annually, within 6 months after the close of each fiscal year or at such other time required under applicable law or a subsequent contract with all or certain Second Lien Owners (or, if not available by such date, when and if available), file with the Second Lien Trustee, and otherwise as provided by law, a copy of an annual report for such year, accompanied by the opinion of the accountants specified in subsection 1 of this Section.

Section B-606. General.

1. The Issuer shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the Issuer under the provisions of the Resolution and, to the extent material to the interests of Second Lien Owners, the Issuer Act.

2. Upon the date of authentication and delivery of any of the Second Lien Obligations, all conditions, acts and things required by law and the Resolution to exist, to have happened and to have been performed precedent to and in connection with the issuance of such Second Lien Obligations (and any related Second Lien Parity Debt then being incurred) shall exist, shall have happened and shall have been performed and the issuance of such Second Lien Obligations (and any related Second Lien Parity Debt then being incurred), together with all other indebtedness of the Issuer, shall be within every debt and other limit prescribed by the laws of the State, as applicable.

ARTICLE B-VII

CONCERNING THE SECOND LIEN TRUSTEE, SECOND LIEN PAYING AGENTS AND THE SECOND LIEN REGISTRAR

Section B-701. Second Lien Trustee; Appointment and Acceptance of Duties.

On or prior to the delivery of any Second Lien Obligations, the Issuer shall appoint a Second Lien Trustee. The Second Lien Trustee shall signify its acceptance of the duties and Second Lien Obligations imposed upon it by the Resolution by executing and delivering to the Issuer a written acceptance thereof.

Section B-702. Duties, Liabilities and Rights of the Second Lien Trustee.

1. Prior to the occurrence of a Second Lien Obligations Event of Default of which a Responsible Second Lien Obligation Officer has written notice or actual knowledge, and after the curing or waiver of any Second Lien Obligations Event of Default which may have occurred:

(a) the Second Lien Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Resolution, and no implied covenants or Second Lien Obligations shall be read into the Resolution against the Second Lien Trustee; and

(b) in the absence of bad faith on its part, the Second Lien Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Second Lien Trustee and conforming to the requirements of the Resolution; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Second Lien Trustee, the Second Lien Trustee is under a duty to examine same to determine whether or not they conform to the requirements of the Resolution.

2. In case a Second Lien Obligations Event of Default of which a Responsible Second Lien Obligation Officer has written notice or actual knowledge has occurred and is continuing, the Second Lien Trustee shall exercise such of the rights and powers vested in it by the Resolution, and use the same degree of care and skill in their exercise, as a prudent Person would exercise or use in the conduct of such Person's own affairs.

3. No provision of the Resolution shall be construed to relieve the Second Lien Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(a) this subsection 3 shall not be construed to limit the effect of subsection 1 of this Section B-702;

(b) the Second Lien Trustee is not and shall not be liable for any error of judgment made in good faith by a Responsible Second Lien Obligation Officer, unless it is proven that the Second Lien Trustee was negligent in ascertaining the pertinent facts;

(c) the Second Lien Trustee is not and shall not be liable with respect to any action taken or omitted to be taken by it in good faith (i) in accordance with the direction of the Second Lien Owners of the applicable percentage of Second Lien Obligations then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Second Lien Trustee, or (ii) which it believes to be authorized or within its rights or powers under the Resolution;

(d) no provision of the Resolution shall require the Second Lien Trustee to expend or risk its own funds or otherwise incur any personal or financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, for which it has not received a satisfactory indemnity;

(e) the Second Lien Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper Person and shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Second Lien Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit;

(f) the Second Lien Trustee shall not be charged with knowledge of a Second Lien Obligations Event of Default unless a Responsible Second Lien Obligation Officer shall have received written notice from a Second Lien Owner or the Issuer or have actual knowledge; provided that the Second Lien Trustee shall be deemed to have actual knowledge of any failure to pay principal or Second Lien Obligation Redemption Price of or interest on Second Lien Obligations when due;

(g) the Second Lien Trustee shall not be under any obligation to take any action that is discretionary hereunder;

(h) neither the Second Lien Trustee nor any of its directors, officers, employees or agents shall be personally liable for any action taken, suffered or omitted by the Second Lien Trustee in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon the Second Lien Trustee by the Resolution;

(i) the Second Lien Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians, or nominees and the Second Lien Trustee shall not be responsible for any misconduct or negligence on the part of any agent, attorney, custodians or nominees appointed with due care by it hereunder; and

(j) the Second Lien Trustee may request that the Issuer deliver a certificate of an Authorized Officer setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant hereto, which certificate may be signed by any Person authorized to sign such a certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

4. Whether or not expressly so provided, every provision of the Resolution relating to the conduct or affecting the liability of or affording protection to the Second Lien Trustee is subject to the provisions of this Section B-702.

5. In the event that the Second Lien Trustee is also acting as Second Lien Paying Agent or Second Lien Registrar hereunder, the rights and protections afforded to the Second Lien Trustee pursuant to this Article B-VII shall also be afforded to the Second Lien Paying Agent and Second Lien Registrar.

Section B-703. Second Lien Paying Agents and Second Lien Registrars; Appointment and Acceptance of Duties.

1. The Second Lien Trustee is hereby appointed the Second Lien Registrar and a Second Lien Paying Agent with respect to the Second Lien Obligations. The Issuer may at any time or from time to time appoint one or more other Second Lien Paying Agents and Second Lien Registrars in the manner and subject to the conditions set forth in Section B-713 for the appointment of a successor Second Lien Paying Agent or Second Lien Registrar. The Issuer may be appointed a Second Lien Paying Agent or Second Lien Registrar.

2. Each Second Lien Paying Agent and Second Lien Registrar other than the Second Lien Trustee shall signify its acceptance of the duties and obligations imposed upon it by the Resolution by executing and delivering to the Issuer and to the Second Lien Trustee a written acceptance thereof.

Section B-704. Responsibilities of Fiduciaries. The recitals of fact contained in the Resolution and in the Second Lien Obligations shall be taken as the statements of the Issuer and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of the Resolution or of any Second Lien Obligations issued thereunder or in respect of the security afforded by the Resolution, and no Fiduciary shall incur any liability in respect thereof. No Fiduciary shall be under any responsibility or duty with respect to the issuance of the Second Lien Obligations for value or the application of the proceeds thereof or the application of any money paid to the Issuer. No Fiduciary shall be under any responsibility or duty with respect to the application of any money paid to any other Fiduciary. No Fiduciary shall be liable in connection with the performance of its duties under the Resolution, or for any losses, fees, taxes or other charges incurred upon the purchase or sale or redemption of any securities purchased for or held in any Fund under the Resolution, including any losses incurred by reason of having to sell securities prior to their maturity date, except in each case for its own willful misconduct, negligent action or negligent failure to act.

Section B-705. Evidence on Which Fiduciaries May Act.

1. Each Fiduciary shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel of its selection, who may or may not be counsel to the Issuer, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, omitted to be taken or suffered by it under the Resolution in good faith and in accordance therewith.

2. Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under the Resolution, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of the Resolution; but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable.

3. Except as otherwise expressly provided in the Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision thereof by the Issuer to any Fiduciary shall be sufficiently executed if executed in the name of the Issuer by an Authorized Officer.

Section B-706. Compensation. The Issuer shall pay to each Fiduciary from time to time such compensation as shall be agreed to in writing between the Fiduciary and the Issuer for all services rendered under the Resolution (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under the Resolution. To the extent permitted by law, the Issuer further agrees to indemnify and save each Fiduciary and its officers, directors, agents, and employees harmless against any and all liabilities, losses, damages, claims or expenses which it may incur in the acceptance, exercise and performance of its powers and duties hereunder and which are not due to its willful misconduct, negligence or bad faith. The obligations of this Section B-706 shall survive the discharge of the Resolution. No obligations of the Issuer to make any payment to any Fiduciary shall have the benefit of any lien on or pledge or assignment of the Obligations Trust Estate or the Second Lien Obligations Trust Estate.

A Fiduciary shall notify the Issuer promptly of any claim for which it may seek indemnity. The Issuer shall defend the claim and the Second Lien Trustee shall cooperate in the defense. The Fiduciary may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel.

Section B-707. Certain Permitted Acts. Any Fiduciary may become the owner of any Second Lien Obligations or any other obligations of the Issuer, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law and pursuant to the Resolution, any Fiduciary may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the

rights of Second Lien Owners or the holders of any other obligations of the Issuer or to effect or aid in any reorganization growing out of the enforcement of the Second Lien Obligations or any other obligations of the Issuer under the Resolution, whether or not any such committee shall represent the Second Lien Owners of a majority in principal amount of the Second Lien Obligations then Outstanding.

Section B-708. Resignation of Second Lien Trustee. The Second Lien Trustee may at any time resign and be discharged of the duties and obligations created by the Resolution by giving not less than 60 days' written notice to the Issuer and mailing notice thereof to the Second Lien Owners of the Second Lien Obligations, specifying the date when such resignation shall take effect, at least 45 days prior to the effective date, provided that such resignation shall take effect upon *the later of* (i) the day specified in such notice and (ii) the day a successor shall have been appointed by the Issuer or the Second Lien Owners as provided in Section B-710 and shall have qualified therefor.

Section B-709. Removal of Second Lien Trustee. The Second Lien Trustee may be removed at any time by an instrument or concurrent instruments in writing, filed with the Second Lien Trustee, and signed by the Second Lien Owners of a majority in principal amount of the Second Lien Obligations then Outstanding or their attorneys-in-fact duly authorized, excluding any Second Lien Obligations held by or for the account of the Issuer or any Related Entity. In addition, so long as no Second Lien Obligations Event of Default shall have occurred and be continuing hereunder and the Second Lien Trustee is not pursuing any right or remedy available to it pursuant to the Resolution, the Second Lien Trustee may be removed by the Issuer at any time for failure to provide reasonably acceptable services, failure to charge reasonably acceptable fees or any other reasonable cause, all as determined by a certificate of an Authorized Officer filed with the Second Lien Trustee. Any such removal shall not be effective until a successor shall have been appointed by the Issuer or the Second Lien Owners as provided in Section B-710 and shall have qualified therefor.

Section B-710. Appointment of Successor Second Lien Trustee.

1. In case at any time the Second Lien Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Second Lien Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Second Lien Trustee, or of its property or affairs, a successor may be appointed by the Second Lien Owners of a majority in principal amount of the Second Lien Obligations then Outstanding, excluding any Second Lien Obligations held by or for the account of the Issuer, by an instrument or concurrent instruments in writing signed and acknowledged by such Second Lien Owners or by their attorneys-in-fact duly authorized and delivered to such successor Second Lien Trustee, notification thereof being given to the Issuer and the predecessor Second Lien Trustee; provided, nevertheless, that unless a successor Second Lien Trustee shall have been appointed by the Second Lien Owners as aforesaid, the Issuer by a duly executed written instrument signed by an Authorized Officer of the Issuer shall therewith appoint a Second Lien Trustee to fill such vacancy until a successor Second Lien Trustee shall be appointed by the Second Lien Owners as authorized in this Section B-710. The Issuer shall mail notice of any such appointment made by it to all Second Lien Owners within 20 days after such appointment. Any successor Second Lien Trustee appointed

by the Issuer shall, immediately and without further act, be superseded by a Second Lien Trustee appointed by the Second Lien Owners.

2. If in a proper case no appointment of a successor Second Lien Trustee shall be made pursuant to the foregoing provisions of this Section within 45 days after the Second Lien Trustee shall have given to the Issuer written notice as provided in Section B-708 or after a vacancy in the office of the Second Lien Trustee shall have occurred by reason of its inability to act, the Second Lien Trustee or the Second Lien Owner of any Second Lien Obligations may, at the expense of the Issuer, apply to any court of competent jurisdiction to appoint a successor Second Lien Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Second Lien Trustee.

3. Any Second Lien Trustee appointed under the provisions of this Section B-710 in succession to the Second Lien Trustee shall be a Bank that is organized under the laws of the State, or, if organized under the laws of another state, authorized to do business in the State of New York, or is a national banking association organized under the laws of the United States of America, doing business and having a corporate trust office in The City of New York, and which at the time of selection meets all thresholds for being well capitalized or adequately capitalized under the prompt corrective action framework applicable to insured depository institutions under Section 38 of the Federal Deposit Insurance Act as in effect from time to time or all thresholds for substantially equivalent categories in any successor legislation, if there be such a Bank willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by the Resolution.

Section B-711. Transfer of Rights and Property to Successor Second Lien Trustee. Any successor Second Lien Trustee appointed under the resolution shall execute, acknowledge and deliver to its predecessor Second Lien Trustee, and also to the Issuer, an instrument accepting such appointment, and thereupon such successor Second Lien Trustee, without any further act, deed or conveyance, shall become fully vested with all money, estates, properties, rights, powers, duties and obligations of such predecessor Second Lien Trustee, with like effect as if originally named as Second Lien Trustee; but the Second Lien Trustee ceasing to act shall nevertheless, on the written request of the Issuer, or of the successor Second Lien Trustee, and, upon the payment of all of its charges hereunder, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Second Lien Trustee all the right, title and interest of the predecessor Second Lien Trustee in and to any property held by it under the Resolution, and shall pay over, assign and deliver to the successor Second Lien Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Second Lien Trustee for more fully and certainly vesting in and confirming to such successor Second Lien Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Issuer. Any successor Second Lien Trustee shall promptly notify the Second Lien Registrar and the Second Lien Paying Agents of its appointment as Second Lien Trustee.

Section B-712. Merger or Consolidation. Any Person into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its municipal corporate trust business, provided such Person shall be a Bank that is organized under the laws of the State, or, if organized under the laws of another state, authorized to do business in the State of New York, or is a national banking association organized under the laws of the United States of America, doing business and having a corporate trust office in The City of New York, and which at the time of selection meets all thresholds for being well capitalized or adequately capitalized under the prompt corrective action framework applicable to insured depository institutions under Section 38 of the Federal Deposit Insurance Act as in effect from time to time or all thresholds for substantially equivalent categories in any successor legislation, if there be such a Bank willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by the Resolution and shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

Section B-713. Resignation or Removal of Second Lien Paying Agent or Second Lien Registrar and Appointment of Successor.

1. Any Second Lien Paying Agent or Second Lien Registrar may at any time resign and be discharged of the duties and obligations created by the Resolution by giving at least 60 days' written notice to the Issuer, the Second Lien Trustee, and the other Second Lien Paying Agents or Second Lien Registrar, as the case may be. Any Second Lien Paying Agent or Second Lien Registrar may be removed at any time by an instrument filed with such Second Lien Paying Agent or Second Lien Registrar, the Second Lien Trustee and the Trustee and signed by the Issuer. Any successor Second Lien Paying Agent or Second Lien Registrar shall be appointed by the Issuer, with the approval of the Second Lien Trustee, and (subject to the requirements of Section B-603) shall be a Bank that is organized under the laws of the State, or, if organized under the laws of another state, authorized to do business in the State of New York, or is a national banking association organized under the laws of the United States of America, doing business and having a corporate trust office in The City of New York, and which at the time of selection meets all thresholds for being well capitalized or adequately capitalized under the prompt corrective action framework applicable to insured depository institutions under Section 38 of the Federal Deposit Insurance Act as in effect from time to time or all thresholds for substantially equivalent categories in any successor legislation, if there be such a Bank willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by the Resolution.

2. In the event of the resignation or removal of any Second Lien Paying Agent, such Second Lien Paying Agent shall pay over, assign and deliver any money held by it as Second Lien Paying Agent to its successor, or if there be no successor, to the Second Lien Trustee. In the event that for any reason there shall be a vacancy in the office of any Second Lien Paying Agent, the Second Lien Trustee shall act as such Second Lien Paying Agent.

3. In the event of the resignation or removal of any Second Lien Registrar, such Second Lien Registrar shall transfer and deliver all records, certificates and documents held by it as Second Lien Registrar to its successor, or if there be no successor, to the Second Lien Trustee.

In the event that for any reason there shall be a vacancy in the office of any Second Lien Registrar, the Second Lien Trustee shall act as such Second Lien Registrar.

Section B-714. Adoption of Authentication. In case any of the Second Lien Obligations contemplated to be issued under the Resolution shall have been authenticated but not delivered, any successor Second Lien Trustee may adopt the certificate of authentication of any predecessor Second Lien Trustee so authenticating such Second Lien Obligations and deliver the Second Lien Obligations so authenticated; and in case any of such Second Lien Obligations shall not have been authenticated, any successor Second Lien Trustee may authenticate such Second Lien Obligations in the name of the predecessor Second Lien Trustee, or in the name of the successor Second Lien Trustee, and in all such cases such certificate shall have the full force which it is anywhere in said Second Lien Obligations or in the Resolution provided that the certificate of the Second Lien Trustee shall have.

Section B-715. Continuing Disclosure Agreements. The Second Lien Trustee shall be entitled to the same rights and the same degree of indemnification in its execution and performance of each continuing disclosure agreement entered into pursuant to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended, as it is under the Resolution.

ARTICLE B-VIII

AMENDMENTS

Section B-801. Mailing. Any provision in this Article for the mailing of a notice or other paper to Second Lien Owners shall be fully complied with if it is mailed, postage prepaid, (i) to each Second Lien Owner of any affected Second Lien Obligations then Outstanding at such Second Lien Owner's address, if any, appearing upon the registry books of the Issuer, and (ii) to the Second Lien Trustee; or, in each case, to such parties by facsimile or other means to the extent permitted by applicable law and arrangements.

Section B-802. Powers of Amendment. Any modification or amendment of the Resolution and of the rights and obligations of the Issuer and of the Second Lien Owners, in any particular, requiring the consent of the Second Lien Owners may be made by a Supplemental Resolution, with the written consent given as provided in Section B-803, (i) of the Second Lien Owners of a majority in principal amount of the Second Lien Obligations Outstanding at the time such consent is given, and (ii) in case less than all of the Second Lien Obligations then Outstanding are affected by the modification or amendment, of the Second Lien Owners of a majority in principal amount of the Second Lien Obligations so affected and Outstanding at the time such consent is given; *provided, however*, that if such modification or amendment will, by its terms, not take effect so long as particular Second Lien Obligations remain Outstanding, the consent of the Second Lien Owners of such Second Lien Obligations shall not be required and such Second Lien Obligations shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Second Lien Obligations under this Section. No such modification or amendment shall (a) permit a change in the terms of redemption or maturity of the principal of any Outstanding Second Lien Obligations or of any installment of interest thereon or a reduction in the principal amount or the Second Lien Obligation Redemption Price thereof or in the rate of

interest thereon without the consent of the Second Lien Owner of such Second Lien Obligations, (b) reduce the percentages or otherwise affect the classes of Second Lien Obligations the consent of the Second Lien Owners of which is required to waive a Second Lien Obligations Event of Default or otherwise effect any such modification or amendment, (c) create a preference or priority of any Second Lien Obligations over any other Second Lien Obligations, without the consent of the Second Lien Owners of all such Second Lien Obligations, (d) create a lien prior to or on parity with the lien of the Resolution securing Second Lien Obligations, other than the lien on the Obligations Trust Estate securing Obligations, without the consent of the Second Lien Owners of all of the Second Lien Obligations then Outstanding, or (e) change or modify any of the rights or Second Lien Obligations of any Fiduciary without its written assent thereto. For the purposes of this Section, Second Lien Obligations shall be deemed to be affected by a modification or amendment of the Resolution if the same materially and adversely affects the rights of the Second Lien Owner of such Second Lien Obligations. The Second Lien Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment particular Second Lien Obligations would be affected by any modification or amendment of the Resolution and any such determination shall be binding and conclusive on the Issuer and all Second Lien Owners. The Second Lien Trustee may request and receive an opinion of counsel, including a Counsel's Opinion, as conclusive evidence as to whether particular Second Lien Obligations would be so affected by any such modification or amendment of the Resolution and the Second Lien Trustee shall have no duty or obligation to take any action hereunder unless and until it has received such opinion. Notwithstanding anything in this Section or the Resolution to the contrary, the consent of Second Lien Owners of any Series of additional Second Lien Obligations to be issued hereunder to any amendment or modification of the Resolution, which modification or amendment, as well as such consent, is disclosed in the official statement or other offering document prepared in connection with the primary offering of such Series of additional Second Lien Obligations, shall be deemed given and irrevocable, and no other evidence of such consent shall be required.

Section B-803. Consent of Second Lien Owners. The Issuer at any time may adopt a Supplemental Resolution making a modification or amendment permitted by the provisions of Section B-802 to take effect when and as provided in this Section. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Second Lien Trustee) together with a request to the Second Lien Owners for their consent thereto in form satisfactory to the Second Lien Trustee, shall be mailed by the Issuer to the Second Lien Owners (but failure to mail such copy and request shall not affect the validity of the Supplemental Resolution when consented to as in this Section provided). Such Supplemental Resolution shall not be effective unless and until (i) there shall have been filed with the Second Lien Trustee (a) the written consents of Second Lien Owners of the percentages of Outstanding Second Lien Obligations specified in Section B-802 and (b) a Counsel's Opinion stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Issuer in accordance with the provisions of the Resolution, is authorized or permitted by the Resolution, and is valid and binding upon the Issuer and enforceable in accordance with its terms, and (ii) a notice shall have been mailed to Second Lien Owners as hereinafter in this Section B-803 provided. Any such consent, including any consent provided pursuant to the last sentence of Section 802, shall be irrevocable and binding upon the Second Lien Owner of the Second Lien Obligations giving such consent and, anything in Section B-1002 to the contrary notwithstanding, upon any subsequent Second Lien Owner of such Second Lien Obligations and

of any Second Lien Obligations issued in exchange therefor (whether or not such subsequent Owner thereof has notice thereof). At any time after the Second Lien Owners of the required percentages of Second Lien Obligations shall have filed their consents to the Supplemental Resolution, the Second Lien Trustee shall make and file with the Issuer and the Second Lien Trustee a written statement that the Second Lien Owners of such required percentages of Second Lien Obligations have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter, notice, stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Issuer on a stated date, a copy of which is on file with the Second Lien Trustee) has been consented to by the Second Lien Owners of the required percentages of Second Lien Obligations and will be effective as provided in this Section B-803, may be given to Second Lien Owners by the Issuer by mailing such notice to Second Lien Owners (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this Section B-803 provided). The Issuer shall file with the Second Lien Trustee proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section B-803 to be filed with the Second Lien Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Issuer, the Fiduciaries and the Second Lien Owners of all Second Lien Obligations at the expiration of 40 days after the filing with the Second Lien Trustee of the proof of the mailing of such last-mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such 40-day period; provided, however, that any Fiduciary and the Issuer during such 40-day period and any such further period during which any such action or proceeding may be pending shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

Section B-804. Modifications by Unanimous Consent. The terms and provisions of the Resolution and the rights and obligations of the Issuer and of the Second Lien Owners may be modified or amended in any respect upon the adoption and filing by the Issuer of a Supplemental Resolution and the consent of the Second Lien Owners of all of the Second Lien Obligations then Outstanding, such consent to be given as provided in Section B-803 except that no notice to Second Lien Owners shall be required; *provided, however*, that no such modification or amendment shall change or modify any of the rights or obligation of any Fiduciary without the filing with the Second Lien Trustee of the written consent thereto of such Fiduciary in addition to the consent of the Second Lien Owners.

Section B-805. Notation on Second Lien Obligations. Second Lien Obligations issued and delivered after the effective date of any action taken as in this Article B-VIII provided may, and, if the Second Lien Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved to the Issuer and the Second Lien Trustee as to such action, and in that case upon demand of the Second Lien Owner of any Second Lien Obligations Outstanding at such effective date and presentation of its Second Lien Obligations for the purpose at the corporate trust office of the Second Lien Trustee, suitable notation shall be made on such Second Lien Obligations by the Second Lien Trustee as to any such action. If the Issuer or the Second Lien Trustee shall so determine, Second Lien Obligations so modified as in the opinion of the Second Lien Trustee and the Issuer to conform to such action shall be prepared, authenticated

and delivered.
