You are receiving this notice as part of the MTA's continuing effort to keep the community apprised of construction activities in support of the West 28th Street Substation project.

The MTA's contractor for the W28th Street Substation Project, Skanska E-J Electric 28S Joint Venture, completed the following items this week:

Main Zone:

- Pour waterproof protection concrete.
- Begin secant removal.
- Continue plumbing install in substation.
- Form & pour west vent sand wall; start west vent waterproofing.
- Continue electric equipment installation.

East Zone:

- This weekend will finish racking and cleating cable in punch through.
- Install F-Connectors and cabling (at track level).

Work during the week of October 7th will include, but not be limited to:

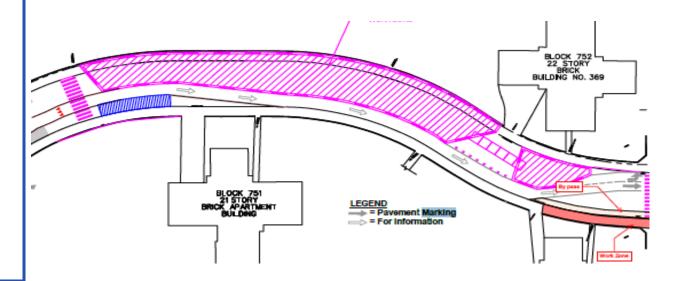

Main Zone:

- Continue vent wall construction on east side.
- Duct bank installation from property line box to substation on west side.
- Continue electric equipment installation.
- Continue plumbing installation in substation.
- Continue substation roof waterproofing installation.

East Zone:

• 10/14 resume sidewalk restoration.

Stage 2 - Installing/Rerouting Utility Lines, Secant Piles

Project Status

Contract Awarded: 10/24/2022

Contractor: Skanska E-J Electric 28S Joint Venture

Mobilization: 1/16/2023

Milestone #1 (restoration of 28 Street): 12/25/2024 Milestone #2 (Substantial Completion): 9/16/2025

Final Completion: 12/15/2025

Work hours for the project are 7am to 6pm Monday to Friday, though we anticipate confining the noisiest of work to 8am-4pm.

The contractor is allowed per DOT permit to work 8am-4pm on weekends, but no noisy work is allowed.

The MTA is building a new underground power substation at West 28 Street. This will provide dependable and redundant power for the existing system serving the A , © , E subway lines, while also supporting our upgrade to a new train control system which will bring you better, more frequent, and more reliable service.

The community can expect regular communication, throughout the project, including regular construction updates and at key milestones on the <u>project's webpage</u> and a dedicated email address (<u>w28thoutreach@mtacd.org</u>) to field concerns.

Thank you for your patience while we build this vital public works project.
