How to Apply:

If you meet the eligibility requirements above, you can submit an online application by clicking the MS Forms link below. Make sure that you completely fill out the form and submit it when you are finished.

<https://forms.office.com/g/1MV752SPcY>

Selection Method / Admission Letter:

Candidates may be asked to participate in one or more of the following: an education and experience test, a written assessment, a practical skills assessment and/or a structured interview.

Applicants must keep their contact information (email, mailing, phone) up to date. The contact information you entered in your online profile with the MTA will be used to contact you. You can update your address and other contact information by logging into your MTA profile or by sending an email to examsuit@nyct.com.

Requirements to be Promoted:

Probationary Period: At the time of promotion, you must have completed your probationary period in the eligible title of Transit Electrical Helper (only Transit Electrical Helpers employed in the Electrical Power Subdivision) indicated in the above "Eligibility Requirements" section at the time of promotion. Additionally, you must have served permanently in the eligible title for at least one year. Time served prior to a break in service of more than one year will not be credited.

Driver License Requirement: At the time of promotion, you must have a Motor Vehicle Driver License valid in the State of New York with no disqualifying restrictions that would preclude the performance of the duties of this title. If you have serious moving violations, a license suspension or an accident record you may be disqualified. This license must be maintained for the duration of your employment in the title.

Drug Screening Requirement: You must pass a drug screening in order to be promoted, and if promoted, you will be subject to random drug and alcohol tests for the duration of your employment. Additionally, if you have tested positive on a drug or alcohol test or had a refusal to test during pre-employment or while employed by a Federal DOT-regulated employer during the applicable period, you must have completed the Substance Abuse Professional (SAP) evaluation, referral and education/treatment process required by federal law in order to be promoted to this safety-sensitive position.

Medical Requirement: Medical guidelines have been established for the position of Power Maintainer – Group B. Candidates will be examined to determine whether they can perform the essential functions of the position. Where appropriate, a reasonable accommodation will be provided for a person with a disability to enable such person to perform the essential functions of the job.

Additional Information

Training: You may be required to undergo a formalized training course during your probationary period. Failure to successfully complete the training course may result in termination or being returned to your previously held permanent title.

Probationary Period: You will be required to complete a probationary period. If you do not successfully complete the probationary period, you may be terminated or returned to your previously held permanent title.
