Dear Secretary LaHood:

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5 (February 17, 2009)) ("ARRA"), I, Jay Walder, hereby certify that the infrastructure investments, listed on the attachment to this certification, funded with amounts appropriated by ARRA under the heading "Transit Capital Assistance" to the Federal Transit Administration, have received the full review and vetting required by law and that I accept responsibility that such investments are appropriate uses of taxpayer dollars.

I further certify that the specific information required by ARRA § 1511 concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) are listed in the New York Statewide Transportation Improvement Program ("STIP"), which is posted at [www.nysdot.gov/programs/stip/stip-project-rpt](http://www.nysdot.gov/programs/stip/stip-project-rpt).

This letter and the attachment will be available to the public at <http://www.mta.info> and linked to [Recovery.gov](http://www.recovery.gov).

I understand that my agency may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Sincerely,
