General Engineering Consulting Services Contract for NYCT DOB and DOS

The New York City Transit Authority (the "Authority", "NYCT" or "NYCTA"), a public benefit corporation organized under the laws of the State of New York, is inviting vendors to participate in an RFP process for the procurement of consulting services for Department of Buses (DOB) and Department of Subways (DOS) and plans to award to one or more Proposer(s). The Authority seeks proposals based upon the Scopes of Work and the contract provisions set forth in the RFP.

The resulting contracts will contain federal funds and will support both locally and federally funded projects.

In evaluating proposals NYCTA will consider the following factors, which are listed in descending order of importance:

- Overall Technical Qualification
- Overall Project Cost
- Other Relevant Matters

These Selection Criteria are further described in the solicitation documents.

Notwithstanding its relative ranking based on the Evaluation Criteria, the Proposer must demonstrate to the satisfaction of NYCT that it is in all respects a responsible party, i.e., that it has the integrity, skill and experience to faithfully perform the Contract, and the necessary facilities and financial resources to do the Work in accordance with the Contract Documents.

All inquiries should be addressed to the Authority Point of Contact below:
