We are introducing a new style to our timetables. These read better on mobile devices and print better on home printers. This is a work in progress — the design will evolve over the coming months. Soon, we'll also have an online timetable viewer with more ways to view timetables. Let us know your thoughts, questions, or suggestions about the new timetables at [new.mta.info/timetables-feedback](http://new.mta.info/timetables-feedback).
