- Schedule Change
- Change since Draft Plan

### Route

The Q50 Limited will now operate to and from Co-op City during weekday peak hours only (6:00 AM to 9:00 AM and 4:00 PM to 7:00 PM). During off-peak hours, the route will only operate to and from the Pelham Bay Park 6 Station.

Key connections include: Bx12, Bx12 Select Bus Service, Bx40, Bx42, and Q44 Select Bus Service.

### Stops

Four percent (2 of 55) of Q50 stops will be removed, improving the average distance between stops from 2,366 feet to 2,457 feet. By removing these stops, we'll improve reliability along the route.

### Schedule

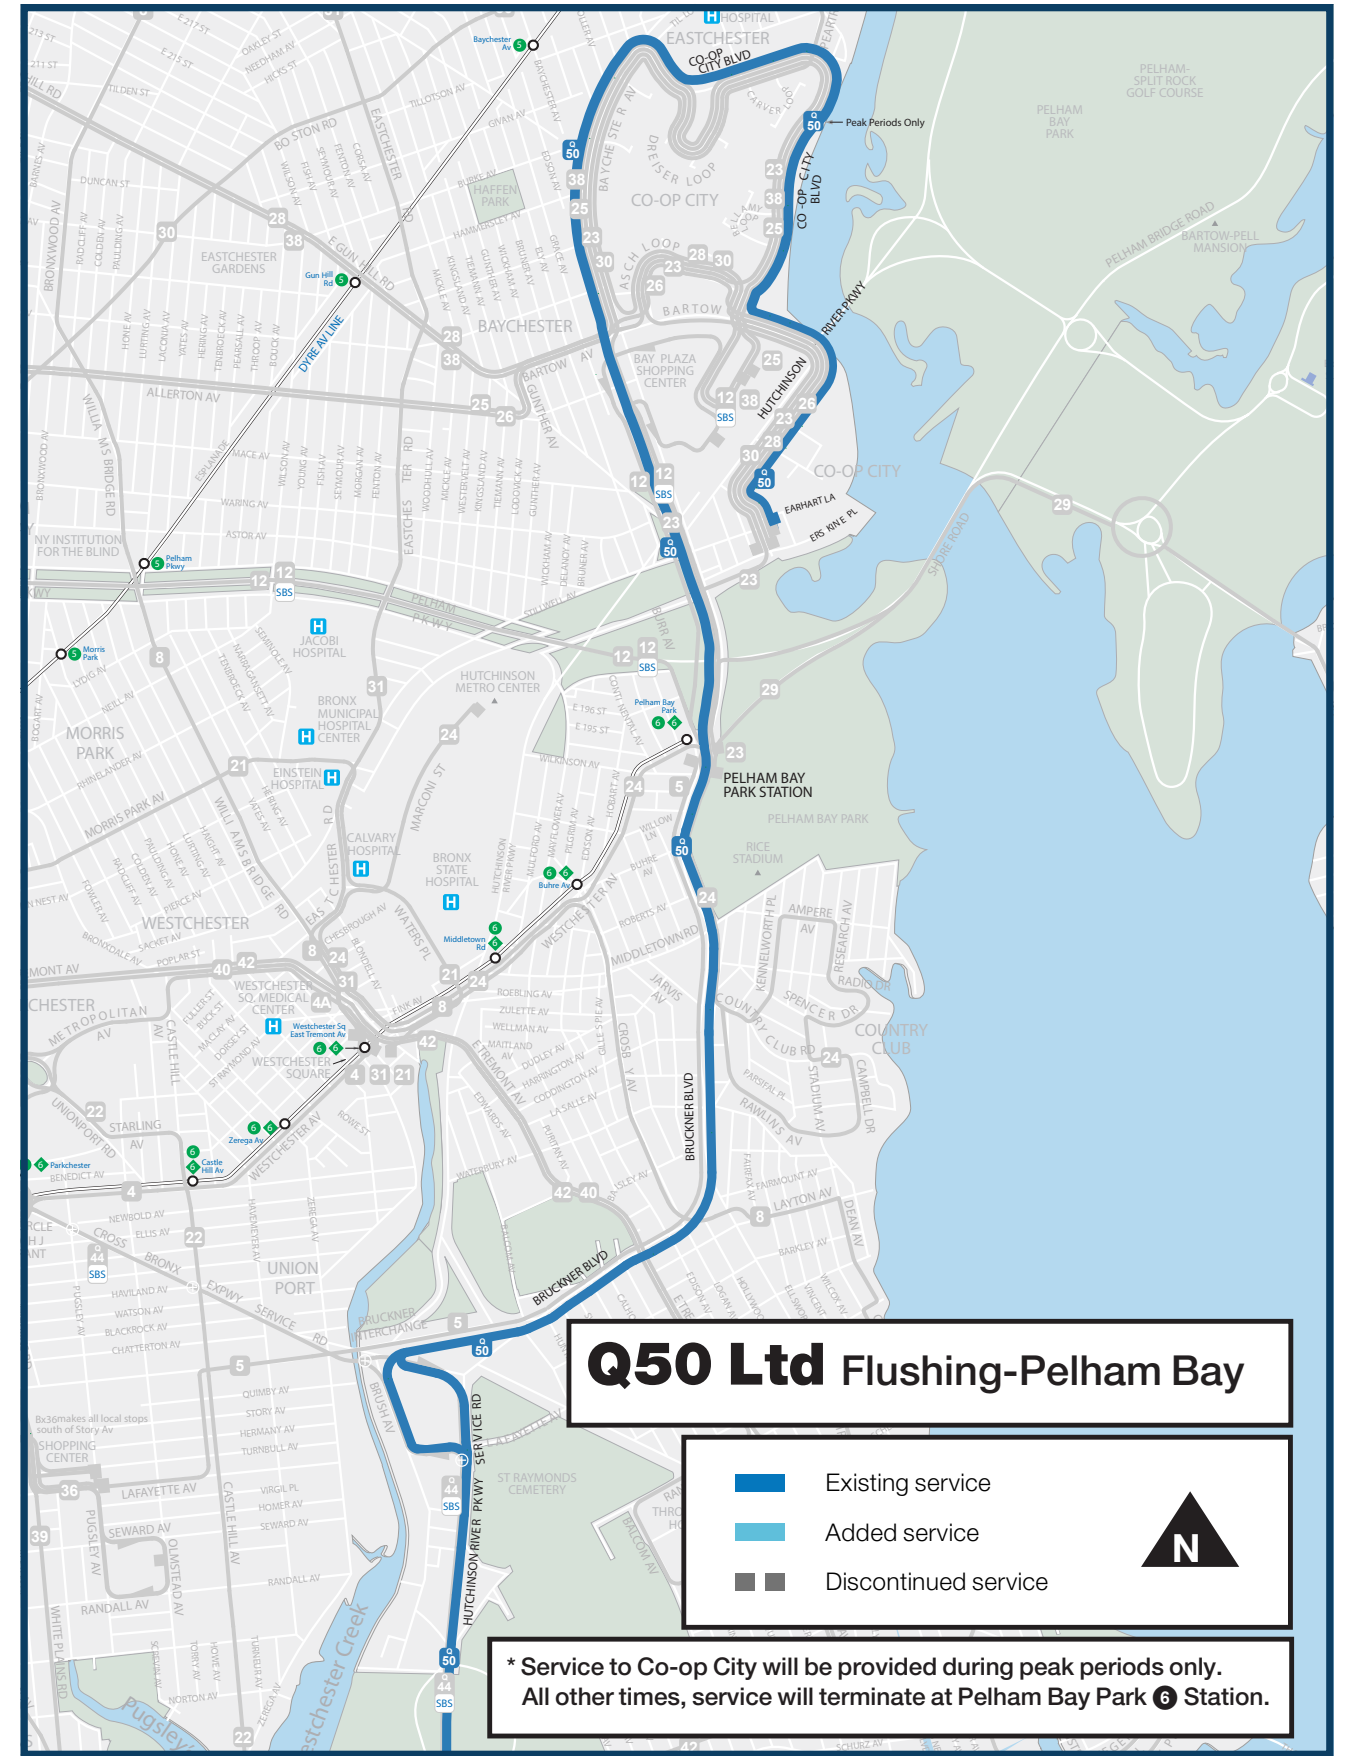

The Q50 will only operate between Co-op City and Flushing, Queens during weekday peak hours (6:00 AM to 9:00 AM and 4:00 PM to 7:00 PM) at the same frequency it has today. During off-peak hours, the Q50 will operate between Pelham Bay Park 6 station and Flushing, Queens with the same service frequency and span as it currently does.
