Your Safety Is Our Top Priority!

Help us make your trip safer!
Step over the gap between the train and platform when boarding and exiting.
Never stand at the edge of a platform, or lean over a platform to see if your train is coming.

Before Boarding Your Train

Station platforms are accessible to mobility-impaired customers. Please inform the conductor if you need assistance on and off trains.
Westbound PEAK AM electric trains displaying white and red headlights simultaneously are short of cars.

On Your Train

Please make sure that your ticket is available for immediate presentation to the conductor. If you change seats or trains en route, hold on to your ticket for presentation to avoid paying an additional fare.

Most LIRR trains have restrooms in every other car. These are always the odd-numbered cars.

Luggage should be stored in overhead racks and not take up seat space or block the aisles or doorways of trains.

At Your Destination

Please carefully check to ensure you do not leave anything behind. Should you forget something, our Lost & Found Offices in Penn Station will be happy to help.
