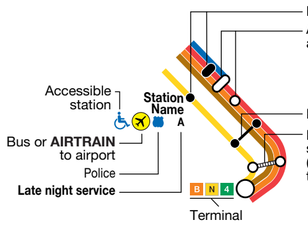
Late Night Subway Service

Midnight to 6:00 am

Key

The subway operates 24 hours a day, but not all lines operate at all times. This map depicts late night service. Call our Travel Information Center at 511 for more information in English or Spanish (24 hours) or ask for an agent for help in all other languages (6AM to 10PM).

visit www.mta.info



To show service more clearly, geography on this map has been modified.

Service Note

This subway map depicts late night service, approximately midnight to 6:00am. All stations are served though not all lines run. Most lines run local, making all stops. Check overhead signs on platforms for details.
